Sundaze 2003

We never knew what we were getting ourselves into. Leaving eighth grade and making our way into the ever-elusive halls of the high school, none of us knew what the road before us held. The only thing we could trust, the only thing to rely on was that through it all, no matter who or what we encountered, we would always be together. That first day of freshman year, a line was drawn in the sand, and as a group, we crossed it, ready to start the best four years of our lives.

Freshman year began with each one of us feeling tiny in our new surroundings. However everything became a little clearer when we elected Joe Clark and Dave Bienia to lead our class valiantly for the coming year, with the aid of Kristen Strole and Aimee Beaudette. The wonderful performers of our school put on the musical "Once Upon a Mattress" to a delighted crowd. The Winter Olympics were held for the first time with the unforgettable moment of the rope snapping during the final tug of war. Sports had a stellar year when the golf team accomplished many feats and our very own Football team won the yearly Thanksgiving Day rivalry game at home. However, such a victory wouldn't have been half as memorable if it weren't for the back and forth fights that also occurred during the year. The Cheerleaders also gave out their best effort, making it all the way to State Champions.

With Mr. Cavallo at the helm, our Sophomore year in high school proved to be more eventful as well as a time of many firsts. The no hats rule was passed along with the advent of the infamous "doorbell" to cut down on intruders. Both the Mr. Agawam pageant and the Powderpuff Football game, where the senior girls emerged victorious, were introduced to us. Our class came in second at the same Pep Rally where we were barely audible the year before. The MCAS test was put into effect with the requirement that we would have to pass it in order to graduate. We seemed to "enjoy" taking it so much that those administering the test decided to give us two essays to complete instead of our original one. Once again, our sports reigned supreme as Mr. Conte took over as the new athletic director. Both Softball and Baseball "knocked them out of the parks" and managed to make it all the way to the Western Mass Finals alongside boys' Volleyball. On top of it all, our Gymnastics team brought a Western Mass Championship home to Agawam High in a complete turn around from their 0-20 season the year before.

Junior year soon arrived with a somber note all around. Mr. Cavallo announced his last five minutes in the high school as Dr. Prystupa stepped up as Principal. As we were all adjusting to the change in our area, the nation wept as the tragedy of 9/11 fell upon us. As the country joined together, so did our school, proving to everyone that we were invincible. Both girls' Soccer and boys' Volleyball scored big with the title of Western Mass Champions. Field hockey and girls' Volleyball also made their way through to the Western Mass finals. Of course, our football team brought home the Thanksgiving Day victory for us once again as they faced West Side on our home turf. Our class proved the old adage of "always a bridesmaid, never a bride", by coming in second for another year at the annual Pep Rally. We participated for the first time in the Powderpuff Football game, with us falling prey to the mighty senior girls. The lights may have gone out on Agawam High due to a tripped power line but our hopes were brightened when the school closed for the day. Amidst the chaos, vending machines invaded our cafeteria, making for a wonderful addition to our lunchtime meals. Among other awards, *The Mirror* also brought home "Best Newspaper in the Northeast" at the annual AIC press conference. A tight race for presidency emerged during the last few months of school with Joe and Dave coming through once again to take charge. Our year ended with us finally attending prom to the theme, "You Look Wonderful Tonight."

As we come to the end of an absolutely amazing journey we finally have the privilege of calling ourselves seniors. Loaded down with activities and assignments, we begin to realize that these are the best times of our lives. We experienced the Kid Party and Semi-formal. We attended our last Pep Rally and shone together at the Prom. Our year concludes with Graduation where we prepare ourselves for the future. We walk into Symphony Hall as a group that has grown up together, yet we walk out as individuals who will undoubtedly leave an everlasting impression on the world before us. We are the class of 2003!

Mom and Dad, the two greatest people to ever be in my life. Everything I am and everything I ever will be I owe entirely to the two of you. I cannot thank you enough for the love and support you've shown me the past seventeen years. Mom, I know you'll always be willing to listen to my problems and give me advice. You are the one person in this world that I can count on to be there for me whenever I need you. Dad, you have been my motivation to succeed in school for the past twelve years. From the time I was in first grade you instilled in me a need to achieve the best in myself, and for that I am eternally grateful. Without the upbringing the two of you gave me, I would not have become the person I am today. I can only hope that I will be one-fourth as great of a parent to my children, as you were to me. Grandma and Nonna, you are my guardian angels. I miss you both more than words can express.

Paul, Jessica, and Megan, the best siblings a brother could ask for. Paul, my favorite brother. You are the one that set the standards for the three of us. The only reason I did so well in school was because I wanted to do better than you. You were my first and best friend from the time I was born. I'll never forget memories of secret handshakes and watching wrestling together. Jessica, I know you are going to make it out there. You've got so much going for you between sports, intelligence, and a great personality. Thanks for always being the driving force, pushing me to succeed in sports. Meggiepoo, I know you're going to miss me when I'm gone. You'll have no one to jump on you on the trampoline or push you in the pool or kick you off the computer. Even though we may fight, I love you more than you'll ever know. The three of you are the greatest. I couldn't imagine life without you and I wouldn't want to.

P.S. Meg, I didn't forget about you!

Jenn and Meg, this book would not have been possible without the two of you. I never imagined the book would be as much work as it was and I'm happy both of you were there to relieve some of the stress. There's no way I could've done it by myself. We've grown so close over the past eight months that I know it's going to be strange not seeing the two of you every weekend to do proofs or whatnot. I'll never forget all the great memories: safari trips, Peg Meg, me not getting my way, and everything else that helped make this project seem like less work and more fun. To all my friends, LC, Ben, Martin (son), TB, Jesse, Ashley, Weens, Jodie, Nina, Hez, Jess and everyone else, you know who you are; you guys have been the best. No one could have asked for better friends than all of you have been. Lisa, my best friend, thanks for always being there for me. I know I can count on you for anything. You made this year fly by with uncountable trips to Friendly's, hanging out on weekends, jumping on the tramp, and everything else we did. Thanks for everything, Fatty!

Mom and Dad thanks for always encouraging me along the way. Your never-ending love and support means so much to me; because of you I will never hesitate to achieve my goals. I love you! Matt, you have always been there for me. You have helped me with homework, coached me in soccer, and even made unnecessary threats to the senior guys when I was a freshman! I know it was because you cared, so I just wanted to say thanks for watching out for me. To the rest of my family and friends, I am so grateful to have you all in my life. I know I can always count on you whether I need a laugh or a shoulder to cry on. Thank you so much for your love and support over the years. I'll never forget it! Mike and Meg it's finally over and we survived! We made a good team, not quite as coordinated as the three musketeers (peg meg) but we definitely got the job done! I'm really glad we got to work together and become friends. Good luck with all you do in the future! To the rest of the staff thanks so much for your hard work and dedication. I know it wasn't always easy, but we pulled together and produced a book we should all be proud of Mrs. Kolodziej without your patience and dedication this book wouldn't be possible. Thank you for sticking it out with us.

Everything I am and everything I will be in my life is all thanks to my family. You have guided me along, never giving up on me no matter what. The love I feel for each one of you could never be equaled elsewhere. My sister and my best friend- you are a daily inspiration to me in everything you do. I may be the Brain with Legs but you are the true epitome of everything good. If I could be half of what you are, I would have accomplished everything. To my true friends, we have shared so much together and I am so proud to know each one of you. Our journey has been long, and even though our paths separate here, I know I will see you at the end. Jenn and Mike- we made it! Thank you for helping make this year the best, despite the stress. Just remember, after succeeding in yearbook, anything is possible. Good luck in the future! Thank you to all my teachers (especially Mrs. Kolodziej) whose support has made me who I am. My achievements are due in part to your guidance and caring nature. Your lessons were not just of school but of life. Finally, thank you God for everything you have bestowed upon me. You have given me the best gift because you have blessed me with a wonderful life and amazing people to share it with.

Baseball

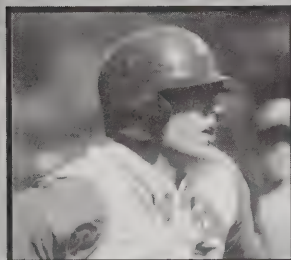

Boys' Varsity Baseball: (Back Row) Brian Knight, Joe Clark, Adam D'Amario, Mike Locke, Justin Perry, Jeff Nielson, Dave Bienia, Mario Maloni, Bruce LeClair, Coach Peter Clark, (Front Row) Neil Donah, Casey Federico, Jay Sheridan, Matt Rheault, Jay Yarymowicz, Bryan Carney, Tom Boisjolie

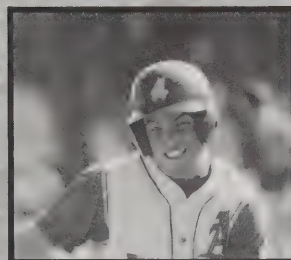

Under Coach Peter Clark, Agawam enjoyed another excellent season fashioning a solid record with another trip to the postseason. Although falling to Amherst in the first game was a disappointment, these Brownies played hard and with heart. Captain Tom Boisjolie led the way with his bat and guidance, along with seniors Bryan Carney, Jay Sheridan, and Adam D'Amario. Juniors like the talented catcher Matt Rheault, Joe Clark, and Dave Bienia contributed immensely to the team's efforts. They looked for help from the remaining players like sophomores Neil Donah and Casey Federico to add another winning season to the books and perhaps add a new chapter of their own.

"We're taking home the crown." -Dave Bienia

"Our goal is to win Western Mass this year. We're going for the jugular and watching out for trees." -Joe Clark

"We had a solid season, and altogether the team played well and had fun; hopefully we'll do much better next year, especially in the playoffs." -Matt Rheault

Power can be seen before he even throws the ball.

We, the seniors, leave you, the Baseball team the bucket game, web gems, and big ALPUKE! Watch out for the hill.Q.M. SHOMO

The 2002 Varsity Softball team may have been inexperienced, returning only three starters, but they didn't let that stop them from making post season play and turning out an overall record of 10-11. With a superb battery of 2nd team All-Scholastic pitcher Katie Ludwig, and 1st team catcher Teresa Bonavita, and the Agawam Softball heart instilled by the coaching staff, the girls faired well. Team captains, Amanda Brown, Katie Ludwig, and Vicky Taylor provided great leadership for the team. While this season was mostly a rebuilding year, the Agawam Softball program is showing promise for years to come.

Each Brownie can't wait till they're up to bat.

We, the Seniors, leave the Girls' Varsity Softball Team fence laps, psych buddies, scavenger hunts vs. lax, and pre-game homeruns. *Believe in each other, Succeed together.* ASB 4e

The 2002 Lacrosse team, though not the strongest ever, still played with so much heart and determination that they earned a playoff spot. Once again Coach Nick St. George and Asst. Coach Bill Moore pushed the team on with encouragement and support. Though the boys would fall in the first game to South Hadley, it still turned into a successful and fun season. With the senior leadership of Mike Ruscio, Vinny Tirone, and Mike DeCaro among others now departed, the remaining members have to step up and represent Agawam for another fine season. Brownies Mike Piccin, Ryan Trexler and other strong players like Dan Sullivan, Kyle McGuire, and Steve Forni will be returning for another season. Next year's team is sure to be as good and maybe even better.

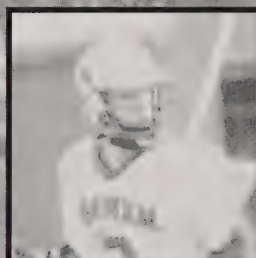

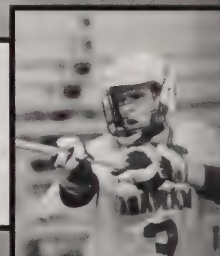

A Brownie beats them all.

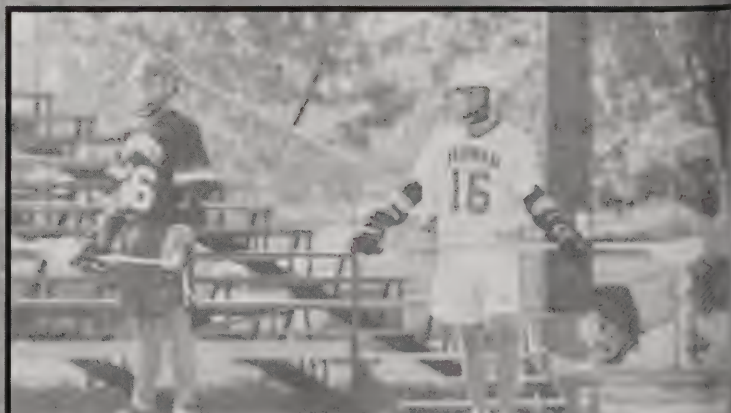

"We had a great season with great losses but we'll be back to fight again!"-Mike McGeoghan

"All I can say is that we played hard and didn't hold anything back; and looked good too."-Alex Ellsworth

"Our hard work all year paid off and took us to the postseason."-Justin Coelho

We, the senior lacrosse players, leave you Coach St. George, long practices, and the words, "On the line."

Varsity Girls' Lacrosse Team: (back row) Tiffany Manzi, Lauren Peltier, Ashley Blanchard, Jenn Sharpe, Stacy Boisvert, Courtney Poirer, Maria Doulakis, Megan Gloster, Coach Carla Lemnah-Warner, (front row) Erinn Gloster, Lucy Young, Kyleigh Egan, Erin Corbin, Katie Feato, Jenna Shea, Alyson Nowell, Kara Dominick, Courtney Nowill

The 2002 Girls' Varsity Lacrosse season was almost identical to the 2001 season. With just their final regular season game against arch-rival West Side standing in the way of making the tournament, the Brownies were determined that this season would be different. The girls beat West Side 18-5 and clinched their playoff berth thanks in part to All-Scholastic 1st team attackers, Jenna Shea and Tiffany Manzi. Seniors Aly Nowell and Erinn Gloster were named to the All-Scholastic 2nd team for their efforts during the 2002 season. The Brownies have a lot of young talent so the future looks hopeful for Girls' Lacrosse.

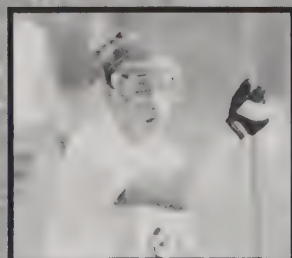

"We really pulled it together and we may not have dogged 'Chaug, but our hearts were in it and it was a moral victory." -Jenn Sharpe

Warner gives the team a pep talk.

"We're going to miss our seniors. We had a lot of fun, but we're ready to work hard again next season." -Tory Lyons

"We had thirteen seniors and it was one of the best seasons we've ever had." -Megan Gloster

The Varsity Boys' Tennis surprised all who witnessed them take the Pioneer League by storm and finish as co-champions with Chicopee Comp. They would carry their momentum all the way until the Western Mass Semi-Finals, where Agawam would fall to fellow tennis power Longmeadow 5-0. However, the season turned out to be an incredible one, thanks to Coach Bill Spear's guidance, along with Captain and All-League singles player Adam Rovithis, the leadership of Co-Captain Geoff Cartello, and strong second singles play by All-League player Myungsuk Ro. Though Rovithis and Cartello will be missed, the returning players look to remain a force. The Quigley cousins, Dan and Jay, Chris Martin, Matt Lyman, Jeff Trauschke and Marc Maloney look to turn it up a notch and try at least to duplicate the 2002 team's dominant season.

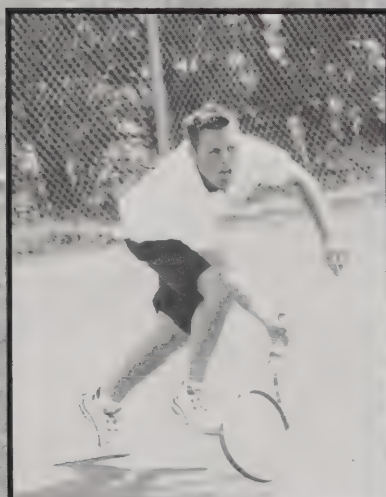

"This season was a lot of fun, especially since we were winning, but it wasn't just that; the team chemistry was great and the record shows that." -Chris Martin

Myung's asking "what up?"

Girls' Tennis

The 2002 Girls' Tennis team displayed their skill by going 14-3 in the regular season, before losing a devastating 2-3 game against Ludlow in the tournament. The team was led by its five seniors, but still looks promising for next season. Jen Jutte and Julia Spear were named All-Star Pioneer League Doubles due to their spectacular performances during the season. Good things are expected out of the team for the 2003 season.

Double Trouble!

We, the Seniors of the Track team leave the underclassmen Coach Bianca's push ups, sit ups, and pyramids. We also leave our championships and fun times for you to continue.

Coach Bill Dillon and Asst. Coach Joe Bianca once again led the boys' track team to a fine record, 7-2, identical to last season's. (Thanks to team M.V.P.s Matt Picard, and Steve Atkinson, among others, they were not lacking in senior leadership, though they will be sorely missed next year.) On the other hand, there is plenty of talent left over, with juniors Mike DeFilippi, Ryan McGurn, and Drew Wynne looking to fill the leadership void. Sophomore standouts Pete Midura and Randy Carlton, along with talented freshman Jay Gibbons, Nick Gurau, and Chris Tierney are also looking to help out. With them and the rest of the solid team, the Brownies hope to make a run for the top and regain the league title.

The 2002 Girls' Track team again produced great results. With four State qualifiers on the team, you can certainly see how Agawam placed 5th in Western Mass. Western Mass. champions, Andrea Babbini (pole vault), Kaitlin Sardella (800m) and 2nd place finishers Katie Malloy (high jump) and Kelly Cassidy (high hurdles) all qualified for States. Andrea Babbini, Kelly Cassidy, Kaitlin Sardella, and Danielle Cirillo were all selected to the All-Scholastic 1st team. Through their hard work and dedication the Brownies look to continue their output of champions next season.

It could have been the players, it could have been Coach Pat Demers, or it could have been the combination of the two that sparked the best season ever for Agawam Boys' Volleyball. After steamrolling through the regular season, they took it to the house by finally taking the Western Mass. Crown before falling valiantly in the State semi-finals. Matt O'Neill, Evan Machos, and Mike Kelly were among the seniors who led the team's domination of their division. Machos was named All-League. Chris Holl, Bill Cochran, and Matt Hartman helped to build the team's success. Chad Farrington and Ian Hamlett made many important contributions at key moments. Six seniors have left, and the team should continue on. It will be hard to try to match 2002's dominance.

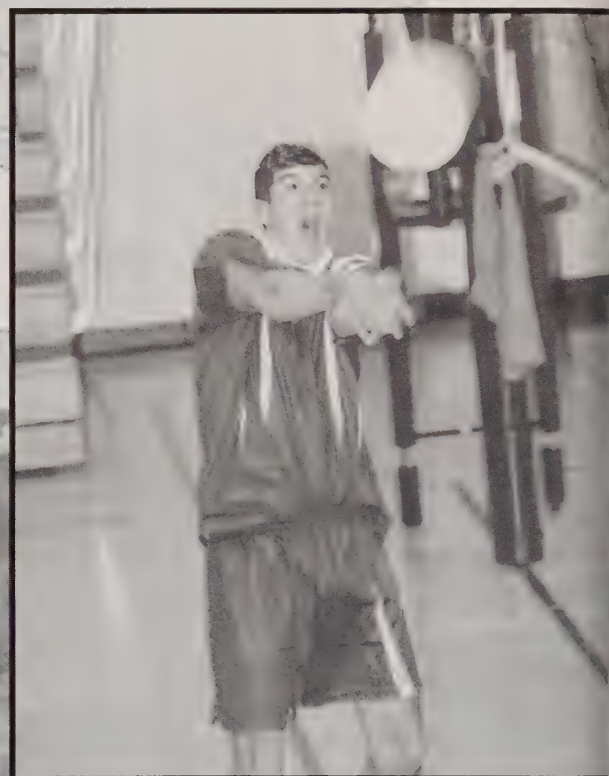

"I feel proud we won Western Mass and feel confident we can do it again." -Chris Holl

"Even though we lost our star players, I think we can repeat last season and make it even better." -Ian Hamlett

"We had a good rebound from the year before." -Chad Farrington

The Cross-Country team has progressed steadily throughout its relatively new existence. The boys enjoyed another successful season, finishing with a respectable record of 5-3. Led by the impetuous captain Mike DeFilippi, the team finished 9th in Western Mass. This was quite an improvement from last year's performance. Several contributors were key in continuing the upswing of the cross-country program. Jay Olbrych broke the school freshman record that was originally held by DeFilippi. Chris Tierney, Pete Midura, Drew Wynne, and John Slachetka also had solid seasons. Though the loss of DeFilippi and the rest of the seniors will hurt, the team should still have a talented nucleus that will allow them to continue to do well next season.

"It was good to participate in a challenging sport without the politics." -Drew Wynne

Jodie and Jessica are Confidants as well as Captains.

The 2002 Girls' Cross Country team had quite a year. Their record doesn't quite reflect their true talent. Each girl trained incredibly hard and put heart into every race. Top guns included Catherine Andrews, and Vicky Urrea. Andrews placed 24th in Western Mass. and finished first in a handful of the meets. Urrea set the new school record for the girls. Captains Jodie Pfau and Jessica Hudson brought leadership to the team and helped the girls have a successful season. Jodie motivated her teammates with the quote "I don't run a race to see who is fastest, I run a race to see who has the most guts." These girls did, in fact, have guts!

We, J. Pfau and J. Hud, leave the undreclassmen on XC, Henry, the Ames Run, a bike at Robinson, Dinarahley reporting live, "Get Your Lift On," Northfield Mt., and miles of memories. Run for fun! You are the race!

The 2002 Field Hockey team faired well, considering that they found themselves under a new coach with only four returning players. They qualified for post-season play, where they lost to Westfield. The Brownies finished with an overall record of 7-5-4. Senior Shannon McDyer, who led the team in scoring, was selected to the All-Scholastic 1st team, along with Nicki Gutowski. Junior Eric Porth earned himself a place on the 2nd team All-Scholastic. This year's team was filled with juniors who are ready to step up next year. Coach Gibbins cheers on
his team.

These seniors take a moment to pose.

Under the direction of Coach Tad Desautels, and the excellent ground game, the Brownies put together a winning season. They went 6-5, including a win over rival West Springfield. Captain Joe Clark had a fine year, but not without the help of defensive leader Mike Locke. Ryan Lottermoser and Mike Piccin helped to spark the running game. There are more than fifty players on the team and all made contributions, either on the field or on the sidelines. Senior Mike Bachini filled in whenever needed, while sophomore Andrew Wakelee became a go to guy in the aerial attack. A lot of the team will be lost to graduation, yet there are still enough underclassmen to put together another winning record next year.

Thanks to the addition of freshman Nick Pokora, and the steady leadership of Jeremy Malanson, Pat Landers, and Ben Crum, the golf team forged an impressive record of 17-3. They captured the Valley Wheel title, taking third in Western Mass., and finishing an amazing fourth in the state tournament. Juniors A.J. Oleksak, Kevin Telford, and Anthony Sarnelli also provided big time achievement for Coach Bill L'Hereux. Coach's guidance was an asset to the many new members. Though the loss of the three seniors will take away a chunk of experience, numerous sophomores and freshmen will keep the team rolling.

These two are cruisin' the green before the match.

The Brownies placed above Westfield, the 2001 champs, by scoring 138.725 and setting a new school record while doing so. Andrea Babbin won her third straight All-Around title, with a career high score of 36.25. The Brownies also shared PVIAC crown with Pittsfield, the only team to beat Agawam in a regular season meet. Katie and Alicia Malloy, Mary Zajac, and Katie Nelson all had terrific seasons as well, and will be looking to lead next years team.

The soccer team had a turnaround season, making the playoffs this past season. The Brownies had an exceptional record of 11-5-2. They bowed out in the first round to Amherst, but the boys had nothing to be ashamed of. All year they overachieved. Captains Paul Pilegi, Greg Cizek, and Dave Bienia were the linchpins of the team. They gave help on and off the field. Other players like seniors Chris Holl, Ryan Trexler, and juniors Ryan Sullivan, Neil Donah, and Kevin Foley were essential to the team. Their scoring and Buccaneer like defense were key. Juniors and underclassmen must step up now because seven seniors exit and leave behind a void. The Brownies must have another successful season in the fold.

"I thought our team did a good job, played hard, and had fun, so all in all it was a cool season."-Greg Cizek

The 2002 Girl's Soccer team again proved that they are the top team in the region by defending their 2001 Western Mass. title. The girls made it to the State Finals, but fell to Winchester, 0-1. Tournament MVP, Megan Gloster, kept the Brownies in many games playing aggressively in goal. Amanda Janik and Tiffany Manzi once again led the scoring for Agawam. Danielle Cirillo played consistent at sweeper, as did Kaitlin Sardella in midfield. Losing only three seniors the Brownies look promising for next season. The girl's will be looking for a three peat, and they definitely have the potential to do so.

With eight seniors it's no surprise that the 2002 Girl's Volleyball team had a successful season. The girls qualified for the tournament and made it to the semi-final round, before being taken down. Strong play from captains Brittany Theriaque, Ashley Marek, and Heather Cox helped the girls to finish with an overall record of 11-7. Katie Meier, a foreign exchange student from Germany, had a huge impact on the team. She played great all season long. The JV team: (Back Row) Coach Mike Veldovelli, Ryan McLane, AJ Oleksak, Dan Lizotte, Nick Lyman, Andrew Wakelee (Front Row) Mike Toto, Jeremy Maheu, Brian LaChapelle, Jon Gibbons, Kevin Malloch, Jordan Buiso

When Coach Brian Alves departed, the Agawam Boys' team looked to new Coach Mike Veldovelli to lead the way. The Brownies had been improving slowly, going 7-13 the previous year. This season, led by captains Casey Federico, Dave Bienia, and Joe Clark, the boys had a successful year. Whether it was a win or loss, they played with determination. Other contributors were the stellar plays of Mario Maloni, talented sophomore Tim Culhane, and steady post player Justin Perry. Though some seniors will be lost, the team has a promising crop of juniors and sophomores to fill in the void and achieve another exciting season.

The Agawam girls' basketball team continued their tradition as being one of the top teams in Western Mass. Led by senior captains Vicky Taylor and Kristen Strole, the girls again qualified for the post-season tournament. These girls led the team in rebounds, and played the majority of most games. Solid performances by guards, Meghan Kelly and Lauren Peltier helped the Brownies' game. Standout freshman Kara Powell earned herself a starting spot at point guard, while Stacy Boisvert had a huge impact underneath the hoops. Elise Davilli and Tory Lyons proved to be important factors in the girl's success as they played an aggressive game. The future of Agawam girls' hoop is just as bright due to the underclassman talent, and phenomenal coaching staff.

Ice Hockey

Varsity Hockey: (Back Row) Coach Cirelli, Chris Nyman, Chris Roy, Dan Mancini, Kyle Gendron, Armand Duboc, Kyle McGuire, Adam Corbin, Dan Korney, Ryan Parker, Alan Hardinia, Mike Wood, Steve Wood (Front Row) Zach Laponese, Ryan McGuire, Jeremy Malanson, Ryan Trauschke, Ryan Zaczynski, John Tisdell, Mike Peetros, Ben Crum, Anthony Dimaio

Under Coach John Cirelli, Agawam Hockey surprised strong teams and made the semifinals last year, putting an end to another exciting season. The program has grown each year, allowing the J.V. team to help the varsity team obtain experienced new faces. Captains Jeremy Malanson, Ben Crum, John Tisdell, and Jeff Trauschke kept the spirits high and led the team by their example of consistent hard work. Defensman Kyle Gendron was a force behind the blue line for the Brownies, while others like Kyle McGuire and Dan Korney made solid contributions. Despite playing at "home" in West Springfield, this team scrapped its way to an excellent year.

"We want Roy!!!!!!!!!!" -Dan Mancini

"I am proud of our evolution into a Western Mass contender. Now, and for years to come when you're given an inch, take a mile Agawam." -Ryan Zaczynski

"You miss 100% of the shots you don't take." -John Tisdell

The 2003 AHS Boys' Indoor Track team held many competent athletes. Captain John Slachetka led this year's team. Slachetka was key in the 55m and 300m races. Not only did he do an outstanding performance in sprinting, but in the long jump and high jump as well. Senior Ryan McGurn followed his footsteps with extraordinary work in the 55m hurdles, long jump, and high jump. McGurn said, "We had a lot of hard work and talented athletes on the team. It paid off." Mike DeFilippi proceeded to succeed in distance races. DeFilippi runs year long with Cross Country in the fall and Outdoor Track in the spring. Seniors Scott Weller, Arthur Nowik and Keith Cosimini were assets in the shot put competition. The seniors set prime examples for the rest of the team. Coach Dan Pyrce commented, "This team was built on senior leadership and experience." Junior Pete Midura has contributed to many of the team's points and is expected to be a returning asset next year.

Girls' Indoor Track

In 2002, AHS Girls' Indoor Track finished as League Champs living up to the legacy in 2003. The team was led by Captains Shannon McDyer, Kaitlin Sardella, and Becky Carey. Danielle Cirillo was in advantage to the team with her consistent, solid efforts in 55m hurdles, 300m and long jump. Danielle said, "Not only did we have a successful season, but we had fun . . . B-Team Forever!" Kaitlin Sardella scored countless points in the 600m and 1000m races. Sardella commented that, "Our senior class has dominated since we were freshman." Seniors Christine McGavin, Andrea Babbins, Shannon McDyer, Heather Cox, Katie Baum, and Jodie Pfau contributed immensely towards the team's victories while juniors Katie Malloy and Bri Nicklaw held top numbers for high jump in Western Mass. We can only hope for the continuation of this legend with returning stars next year.

Boys' Skiing

The Boys' Ski Team: (back row) Coach Olson, Jesse Clauson, Ryan Walsh, Paul Surowiec, James Messier, Andy Jensen, Chris Graveline (front row) Steve Hopkins, Jeff Lagasse, Eric Jensen, Joe Reutt, and Scott Gates

There was enough snow and cold weather this winter to provide the Boys' Ski Team with optimum conditions for doing what they do best. Although the Boys' Ski Team was one of the more inexperienced teams this winter, the talented skiers matured into a fine squad under the eye of Coach Glenn Olson and turned out a solid year. Many individuals stepped up as this year was one without many upperclassmen. Juniors James Messier and Paul Surowiec helped to lead the team, while sophomores Jeff Lagasse and Chris Graveline picked up some fast times. Freshman Joe Reutt also got off the "bunny hill" and made his mark in the high school scene. The boys provided some exciting competition and had a good time through it all. The future of this young team definitely looks promising!

Eric Jensen is ready to hit the slopes!

I'm ready to go . . . now all I need is a hill.

Guys! I can't carry all this stuff onto the bus by myself!

"We had a good season!" - Jeff Lagasse

Girls' Skiing

The Girls' Ski Team cruised their way down the slopes of Blandford and Berkshire East this winter on plenty of fresh snow. Early snowfall allowed the girls to get a jump on their competition and practice on the mountains, even though they spent plenty of time lifting in the weight room as well as jogging in the parking lot. Senior Katelyn Haglund, who finished in a state-qualifying place at the 2002 WMASS Championships, led the team this winter. Co-captains Raya Mutti and Nicole Clauson also scored many points for the team after placing high in last year's regional meet. Joanne Brignoli, Sabrina Brizzolari, and Ashley Marek also stepped up this year to give the Brownies a fine season. The girls were also joined by several talented newcomers, including freshman Laura Provost, who will lead the team in the following years. These girls know how to have fun in the snow and how to be competitive when the time comes.

Boys' Swimming And Diving

"For best results, just add water."
-Maciej Biskup

Paul swims "like a butterfly, stings like a bee."

Boys' Swimming and Diving: (Back Row) Coach Dave Smith, Dan Adamski, Mike Lalli, Maciej Biskup, Paul Lagasse (Front Row) Coach Ed Jacques, Matt Gendron, Matt Oleksak, Matt Styciewicz, William Loong, Kyle Sullivan

The Agawam Boys' Swimming and Diving team overcame another year of small numbers thanks to their strong core and unity. Coach Dave Smith, in his 31st season, once again led the team through a triumphant year. Seniors Dan Adamski, Maciej Biskup, Paul Lagasse, and Mike Lalli, showed the team the way to success with their constant dedication and leadership. One amazing feat of this year's team was accomplished by those who swam in the 200 freestyle relay. A record that had been held since 1996 was broken many times this season. Returning members and newcomers alike earned many Western Mass. Qualifications. Another year of incredible swimming and diving like this helped the boys pull off victories in almost every meet.

Michael's second dive of the evening will be an inward 2 1/2 sumi, triple twist

We, the senior swimmers, leave you, the underclassmen, locker-frosting, pre-meet parties, bus rides, record breaking, and junk food from Stop & Shop. Good luck Coach Smith. thanks for everything!!

Dan feels free in the water.

Girls' Swimming & Diving

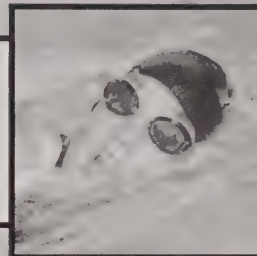

Girls' Swim Team: (Back Row) Daveen Macsata, Michelle Gendron, Jessica Hudson, Coach Dave Smith, Jessica Lalli, Brittany Devoe, Jessica Ferreira (Front Row) Emily Cassidy, Alison Ventulett, Tiffany Gabriel, Asst. Coach Ed Jaques, Jenny Clark, Ashley Gabriel, Laura Jutte

Agawam High's girls' swim team endured a tough season last year, but the improvement they showed this season was amazing. Captain Daveen Macsata was the inspirational leader as this group welcomed many new talented and spirited swimmers. Coach Dave Smith worked hard this season, but credit also goes to the girls that shined. Daveen was dominant in her events while the Gabriel twins, Jennie Clark, and seniors Jessica Ferreira, Michelle Gendron, and Jessica Hudson took over the competitions. Others like Jessica Lalli and diver Laura Jutte consistently performed well. Luckily, there were many skilled newcomers as important seniors will be gone next year. The girls' swim team has given AHS a year to be proud of!

Jessica demonstrates the breaststroke.

"I'll miss all of you; thanks for the four great years. Good luck, and win a couple." -Daveen Macsata

This is definitely synchronized swimming.

Jessica, Michelle, Daveen, and Jessica are kickin' it on their kickboards.

We, the seniors of the swim team leave the underclassmen walks around the pool with Coach, bus rides to away meets and many memories. Good Luck!! Have fun!

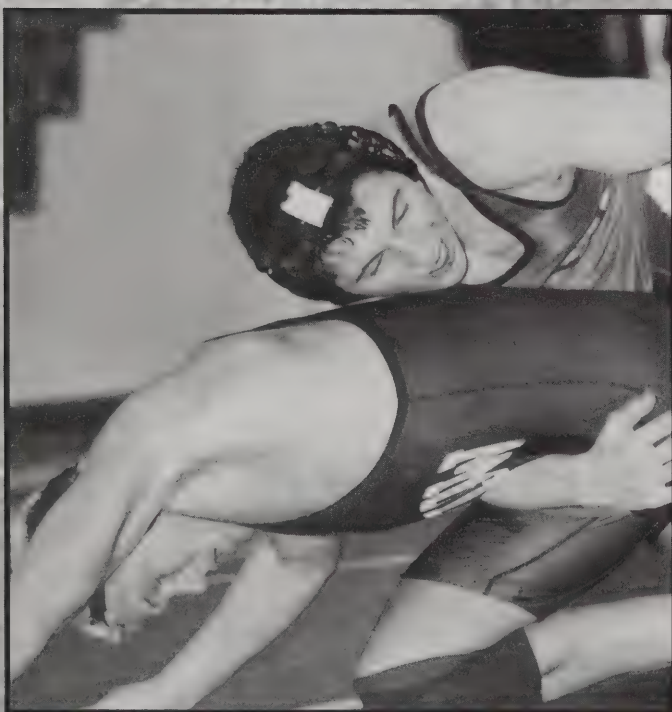

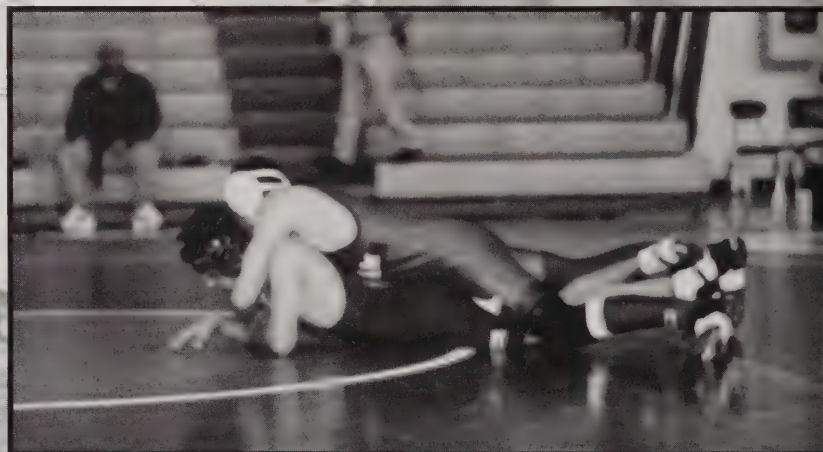

Wrestling

Wrestling Team: (Back Row) Kyle Salgado, Chris Scuderi, Alex Seymour, Adam Blackak, Scott Allen, Nick Liquori, Bruce Leclair, Tony Carestia, Michael Audette, Dustin Hebert, James Lewin, Eric Porth (Middle row): Paul Pilegi, Bruce Johnson, Ryan Sullivan, Dan Mason, Michael LaChappelle, Anthony Manzi, Shane Demers, Alex Shibley (Front Row) Adam Ceccarini, Daniel Higgins, Ryan Long, Brenton Reveruzzi, Nick Dimaio, Joe Bushey, Barrington Douse, Nick DeCoteau

"Pin to win" -Bruce Leclair

Paul pins the competition.

Adam has this match in the bag.

Wrestling again was the perennial powerhouse this year, led by Captains Paul Pilegi, Adam Blackak, and Bruce LeClair. Paul Pilegi achieved All-Scholastic as well. The results of this season show that this team perhaps practiced harder than any other at Agawam. While the rest of the team played their own important roles, Dustin Hebert, Anthony Manzi, and Eric Porth provided the team with much needed depths. Their consistent hard work will be key next season. Surprisingly, the team will lose only a few seniors. However, there will still be a lot of slack to pick up. Under this program, there is no reason why another good season can't be attained. AHS Wrestlers reflected on former wrestler Josh Abraham's quote, "Pain is but a feeling and feelings pass with time and time passes, therefore pain is just a strain on the brain without restraint and that's why all wrestlers are insane." We can conclude that this holds true for Agawam Wrestlers based on their outstanding performances.

Captains Paul Pilegi, Adam Blackak, Bruce Leclair, and Coach Burke.

"With hard work and dedication we can go further, win Western Mass, beat Ludlow, and bring back to Agawam the respect it deserves." -Brenton Reveruzzi

Eric makes it look so easy!

"Do it. Do it right Do it right now. (The wiser)"
-Dustin Hebert

"Get off of me!"

We the Agawam Wrestling Sr's leave the team all the Tomkiels and Parker's. We also leave the tradition of working hard especially on the weekends. Adam Bruce and Paul leave very long practice. Just remember chinin the temple and tee off.

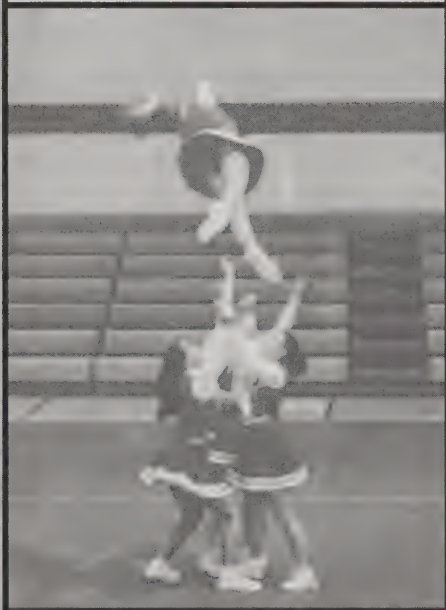

Cheerleading

The Varsity Cheerleading Squad: (4th row) Tiara Ghedi, Erica Dominguez, Jess Lemieux, Sarah Hersey, Laura Cote, Coach Kim Noel (3rd row) Ami Sullivan, Jenn Bock, Sarah Huffman, Nicole Wosczyzna, Jacqueline Svadeba, Amber Paro (2nd row) Kate Horniak, Cori Verteramo, Ashley Boyle, Andrea Greaney, Taryn Lapponeese (1st row) Christin Cilimberg, Linda Kelly, Julie Pontz, Jill Nunziato

The cheerleaders of Agawam High again proved that they have one of the most developed programs in Western Mass. With a surplus of seniors leading the way, the girls worked hard day in and day out to once again earn the title of Western Mass. Champs. With the help from captains Julie Pontz, Christin Cilimberg, Linda Kelly, and Jill Nunziato, the girls put in an endless effort all the way through states. These girls have twice as long a season as any other team here at AHS, as they compete not only in the fall but in the winter as well. The ladies came out victorious in many of their winter tournaments. Although the loss of nine seniors will hurt next year's squad, Coach Noel is sure to furnish another successful season, as she has turned Agawam High cheerleading into a legacy

Laura can fly!

Jessica looks bored.

The girls take a break from their routine to have some fun.

To our underclassmen, we leave you long practices, long season for our "club," push and squeeze, STRETCH! Crazy sleepovers. Many memories and good luck we love you!

Squad: (Back Row) Paige Roberts, Coach Ellen Yourous, Katie Tapply (Middle Row) Marque Tortiello, Mari Weinandy (Front Row) Cole Struck, Gina Graziano, Abby Spagnoli

"As my fourth year on the varsity team, these girls have become like sisters to me. I will never forget them." -Linda Kelley

Andrea, Kate, and Christin wreak havoc in the locker room.

Captains Jill, Julie, Linda, and Christin take some time to goof off!

"We are working really hard, and even though we had a big letdown at States, we aren't going to let it stop us." -Sarah Hersey

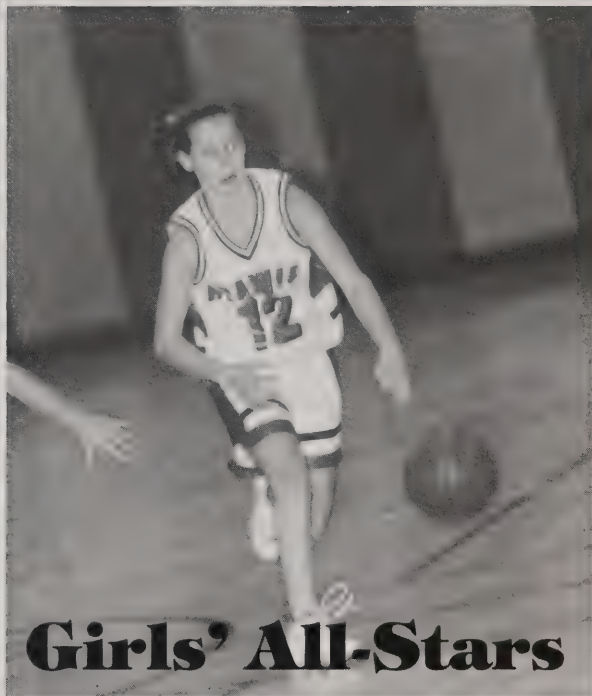

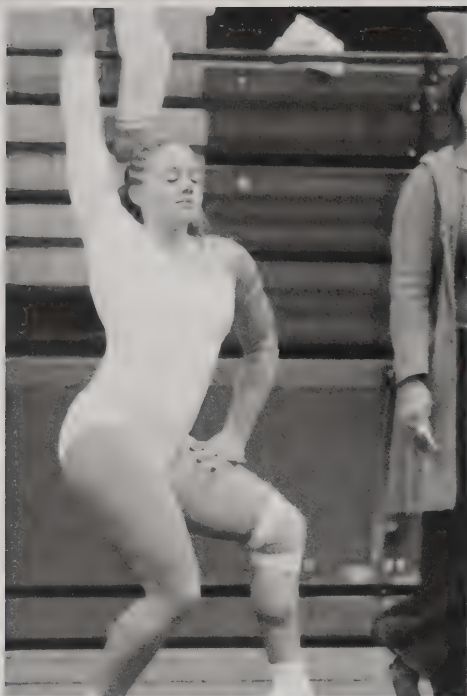

Sarah towers over us all in this graceful pose.

"For years we've worked really hard to make our dreams come true. Even though it didn't turn out like we expected, we still gave it our all." -Taryn Laponese

Prom 2002

Meg knows how to work it!

Everyone is all smiles tonight!

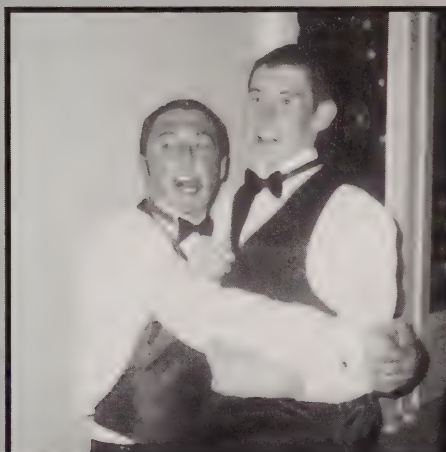

"It's a fun and exciting event you can share with all your friends. It is a memory that will last a lifetime." -Jocelynn Kraus

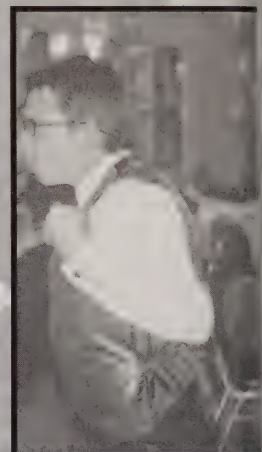

Everyone happily breaks for a picture.

"It's late in the evening; she's wondering what clothes to wear. She puts on her make-up and brushes her long blonde hair" . . . you may recognize this. Maybe it was you or your date hurrying to get ready for the 2002 prom, or maybe it was playing in the background as you shared that last dance with your prom date. Both situations are conceivable. Tuesday, June 4, 2002 held life lasting memories for AHS students. The lyrics you just read were from the song and theme, "Wonderful Tonight" by Eric Clapton. Guests arrived at 6pm for that social hour of pictures and hugs. An hour later prime rib, chicken, or vegetarian dishes were served in front of their hungry tummies. The remaining three hours students got down on the dance floor to tunes provided by DJ Stylz. Mr. Pulaski captured those gorgeous outfits with his professional photos that are now placed in the "Wonderful Tonight" photo albums. Opening those albums reflects how wonderful the night really was for all AHS students.

Chris and Ian get a little crazy by the end of the night.

Umm . . . yea.

Will and Dave know how to get down!

Aren't they lovely?!

Prom is one unforgettable high school memory. The lights, the food, the colors, the pictures, the decorations, the song, the King and Queen . . . oops! No King and Queen this year. After Mrs. Messina's retirement, our AHS Prom Committee has two new advisors, Ms. Brega and Ms. Genovese. With these new advisors, came new ideas. Chez Josef was still the place to party. Many AHS students wanted to be involved in their prom's decision making. In fact, so many. Ms. Brega and Ms. Genovese put their heads together and decided it would be best to make an Executive Prom Committee. In order to be a member of the Executive Prom Committee, each student had two weeks to fill out an application. Everyone who wished to be on the committee still had the right to vote on the opinions of the Executive Prom Committee. While most members of this special committee were seniors, several juniors belonged. Hopefully, these juniors will teach the class of 2005 what they've learned for next year's committee and so on. When looking back on our night in the spotlight, our thanks and appreciation are owed to our dedicated Prom Committee and advisors.

Thanksgiving Day Football Game

This Thanksgiving the Brownies gave thanks for their 26-0 shut out against rival West Side. The senior football players ended their career on a high note by beating West Springfield for the third time in their four years here. Even though the field was covered with snow, the Brownies, ever fearless, played one of their best games all season. Quarterback Joe Clark ran an impressive 83 yards, threw for 83 more, and scored two of Agawam's touchdowns, his 12th and 13th of the season. The other touchdowns of the game were scored by Mike Locke, from the one-yard line, and by Ryan Lottomoser on a seven-yard run. Seniors Mike Locke and Mike Piccin led an awesome defense. Agawam shows promise for next year's game among several underclassmen, including Andrew Wakelee and Kevin Bienia. Ending their season 6-5, the Brownies bid their goodbyes to the football field by taming the Terriers once again.

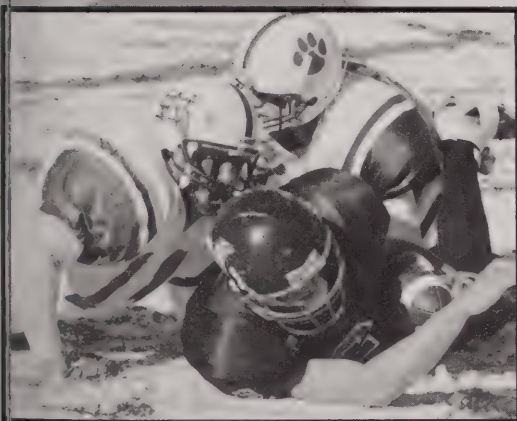

Can't go under him, can't go around him, have to go through him!

Whatever's going on here, it doesn't look like football.

The Brownies take a second after another fabulous play.

Ok, Ok, you got me - now get off of me!

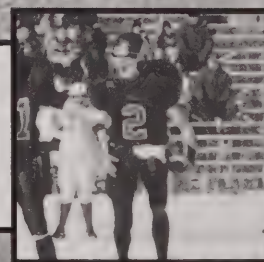

The cheerleaders stick it out, even in the cold and snow.

The Brownies have the ball at the one-yard line. Ready . . . set . . . hike!

"Although the field was in horrible shape, we took it to them and shut them out for the first time in ten years. It was a great way for the seniors to end." -Joe Clark

Powder Puff Game

Sully is a little tipsy on his tiptoes.

Juniors said the seniors rigged this game. How could that be possible when the seniors won 22-6? Captains Stella Knapik and Vicky Taylor led the seniors to success. The girls wore their matching shirts, the boys . . . they made their own costumes. These costumes were creative to say the least. After a month of practicing, the boys were ready for some tough tackling. They practiced with scrimmages, drills and performing different plays. The game was an improvement from last year. Two hundred tickets were sold this year; last year only three people sat in the stands. Players demonstrated talent with their quick moves. Everyone had a smile. Senior Megan Mercadante said, "Defense went 'Grenier' on the juniors." Better luck to the juniors next year!

Raya's got a grip on her favorite cheerleader.

"HELLO LADIESSSS!"

Now's not the time to be hiding!

These boys cheer straight from the heart.

"It was a lot of fun." -Shannon McDyer

Strole's got that intimidating look.

Courtyard Clean-Up

Mrs. Poulin taught AP English 11 in 2001-2002. Amongst her students was Nathan Krach. Nate always had a comment in class, one in particular that stuck in Mrs. Poulin's mind. Mrs. Poulin's room looks out into the courtyard. After gazing outside daily, Nate suggested improving the courtyard. Mrs. Poulin got right to it and within weeks a courtyard beautification committee was created. They started in the spring of 2002 and haven't stopped since. AHS clubs took part in cleaning up as well as members of the committee. They pull weeds, hoe soil, water plants, cut grass, plant flowers, create smooth paths, and keep the pond clean. Appreciation for the beauty in our school is owed to people like those in the courtyard clean up. They really help to make AHS a clean and pleasant environment. Students couldn't help but smile when they walked out of the hallways and into the sunshine.

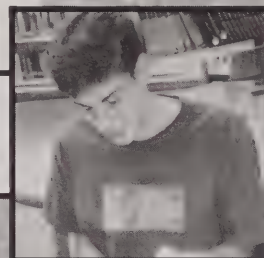

Shovels feel more like weights after a while . . .

"Finally it's clean! Hopefully everyone will keep it going. They better make sure they mow the lawn!"

Kid Party

This is the one night Eeyore can not be sad.

This alien will abduct you with glance at its costume.

Ahh yes! The Kid Party, an event that truly brings out the kid in every AHS senior. This was definitely the start of what some call "senioritis". A night of dancing, cool drinks, candy, chips, and contests added up to a sum of fun! Themes like the Spice Girls, Disney, Booty Camp, Mardi Gras, Christmas, Politicians, and Celtics kept our AHS cafeteria spiced with diversity. Parties boogied down to Cotton Eye Joe. Jodie Pfau and Shannon McDyer fought till the end of their hula-hoop contest. The hours it took to prepare paid off with recognition of costume winners. Booty Camp won "Best Group", Aimee Beaudette and Mat Rheault, aka Cinderella and Prince Charming, won "Best Couple" while "Ugliest Woman" went to Chris Holl. November 22, 2002 was a night to remember.

Valentine's Day brought a special gift to all the seniors this year. The annual semi-formal was pushed back from the usual Christmas break to February 14, 2003. Seniors were excited to be with friends as well as having a week's vacation immediately following the event. The class officers of 2003; Joe Clark, Dave Bienia, Kristen Strole and Aimee Beaudette, along with the Advisors, Mr. Cohen and Mr. Meagher, planned this dance to be held at the Oaks from 7-11 PM. There, students enjoyed a free soda bar and buffet while dancing and laughing with friends. The dresses were elegant in various colors, especially the ever-popular red. All in attendance had a great time as the night ended with plentiful smiles and Valentine hearts full of cheer.

Marching Band

Why is there a break during Friday night football games? Our Marching Mohawks delighted the crowds with their spectacular numbers and marching routines! Using the legendary beats of Ray Charles, the marching band impressed everyone with their energy, and all the hard work they put in showed. In fact, for the first time in history, the Mohawks were named as the Massachusetts State Champion by the United States Scholastic Band Association. Thanks to the efforts of director Ms. Watson, drum majors Brittany Theriaque and Kevin Fleming, the color guard that was captained by Holly Stano, and the rest of the band, they set all-time highs at marching competitions. There is no doubt that when the marching band, along with the color guard, goes on their annual spring trip competition, they will bring back some hardware for years to come.

Mr. Files is a skilled conductor.

The Winter Arts Festival displayed artistic and musical talents that were presented to the large crowd made up of friends and family. The concert band performed several Christmas and seasonal songs, with the crowd singing along. The chorus, who dazzled with their renditions of holiday carols, followed the band. Art created by AHS students were admired and enjoyed during the intermission. The jazz band had the audience clapping and swinging with crazy improvisations of their songs. To the audience's surprise, a Christmas tree similar to the appearance of Chris Holl started dancing around. The band and chorus performed together to conclude this fun filled night. It was a wonderful time, and hopefully this will continue as a tradition

Jazz Choir

The sensational Jazz Choir

"Chicago, Chicago . . ." was the phrase sung by this precocious group as they brought their sweet voices to the Windy City for its annual spring competition. A lot of work is put in before this final performance. To be part of jazz choir, it is a requirement that the hopefuls audition. If accepted, then begins the daily practices to perfect their songs, which are performed at events like the Winter Concert, shows put on at the school and even Christmas caroling. Instructor Mr. Files motivated and aided the students to fully utilize all of their vocal gifts, while keeping it fun and interesting. While indeed every member of the Jazz Choir is extremely talented, they should also be commended for their efforts and time given. AHS students should go to one of the events to listen to some really beautiful music put on by our Jazz Choir.

"Our ability to work as a group really improved our playing." -Kevin Athas '03

Every year AHS is fortunate to have a talented and award-winning Jazz Band. With a blend of saxophones, trumpets, trombones, drums, guitars, and a piano, the band offered some very entertaining performances throughout the year. The group was once again led by the talented Mike Ferrigno '03. The Jazz Band members were looking to repeat the success of last year's competitions, so they worked extra hard at perfecting their playing and selected their favorite music to show off. The band qualified for the 2002 MMEA Western District Gold medallists in addition to earning the silver at the State Finals. Their performances included various styles of music such as latin, rock, and swing. Variety's the spice of life, right? But with their melodious playing and unique sound, the Jazz Band sounded good playing any type of music.

Concert Band

While sitting in class, you may hear music being played somewhere below you. No, it's not a dream; the marvelous melodies were probably played by AHS's very own Concert Band. The music was coming from below because they practiced in the AHS basement. Under the leadership of Ms. Watson, the Concert Band has played their way into high school history in past years and surely for many years to come. Their success is attributed to practicing every day during class and also on Tuesday evening. The band's everyday affairs were handled by Co-Presidents Chris Holl and Brittany Theriaque, and were assisted by Treasurers Chad Farrington and Brian Athas. Each year the band dazzles us with their performances at the Holiday Concert and Band Time shows, and brings home consistent good scores from the many competitions that they participate in. Next year, the Concert Band is sure to win some more medals and have yet another great year!

Fall Top 40

The Top 40 was probably the most attended event at AHS. Talented singers performed to popular songs while members of the Electronic Music class, and other musicians, played all the back-up music for the performances. About 50 singers tried out to be a part of the show, but only a selected 21 made it. And the band was impressive as always. They learned every song in the show and performed them exactly how they sound on the radio. On the night of Top 40, Agawam's very own rising stars showed what they were made of. The audience was packed. "I love the audience. They always get you excited once you step out onto the stage," said Jodie Pfau '03. This year there was also Winter Top 40, and Spring Vaudeville. After one Top 40, everyone anxiously anticipated the next. Mr. Files is to receive credit for this famous show, as he puts a ton of effort into recording all the music and organizing the night for everyone to enjoy.

Choreography

Chasse! Pas de bouree! Pirouette! Recognize these ballet terms? Even if you don't, but you still like to dance, choreography class might be the elective you'd like to take. Dancers choreographed their own group dances in class and performed them at the annual Top 40 and Vaudeville shows. This year, due to the increased interest in Choreography, an advanced Choreography Honors class was added to the curriculum for returning dancers. One of their best dances at this year's Fall Top 40 was to the song "Sk8er Boi." Choreography Honors students Jessica Lemieux '04 played Avril Lavigne, Tara Witte '03 was the ballerina, and Ashley Velosky '04 dressed up as the skater boy. The audience loved it. The other dances were "Deepest Blue," "New York Mix," "From AM to PM," "Justified," and "Come on Get Up."

Theatre

The cast of "Hide and Seek" takes a bow.

This year, a theatre class was once again offered as an elective after some year's absence. Under the direction of Ms. Vallon Jackson, the actors performed their first play, "Hide and Seek" in December. The murder mystery was full of suspense and comedy. It was about the problems arising from inheriting money from a man who left no will. Ryan Griffin gave a hilarious performance starring as Detective Smyth. Other cast members were Dan Cirillo, Trisha Cusson, Alison Dassatti, Ian Elkins, Aryana Finnegan, Gunjan Gotra, Heather Mofat, Jim Rennenberg, Gina Siameri, Marlan Smith, and Mike Wilber. The play could not have been produced without the help of Assistant Director Mike Lalli, Stage Manager Kristen Sopet, and Lighting and Sound by Dan Drewniak, Liz Couture, Joe McCarthy, and Will Hamre. The actors also performed skits at the first annual Winter Arts Festival, similar to the games played on "Whose Line is it Anyway?" The students in the Theatre Class enjoyed a fun and exciting semester learning how to perform and produce.

The girls wonder how much money they'll inherit.

"Ms. Vallon Jackson did a wonderful job directing and the cast was great. We didn't expect the crowd that we got. It was very exciting." -Gina Saimeri '03

Academic Decathlon

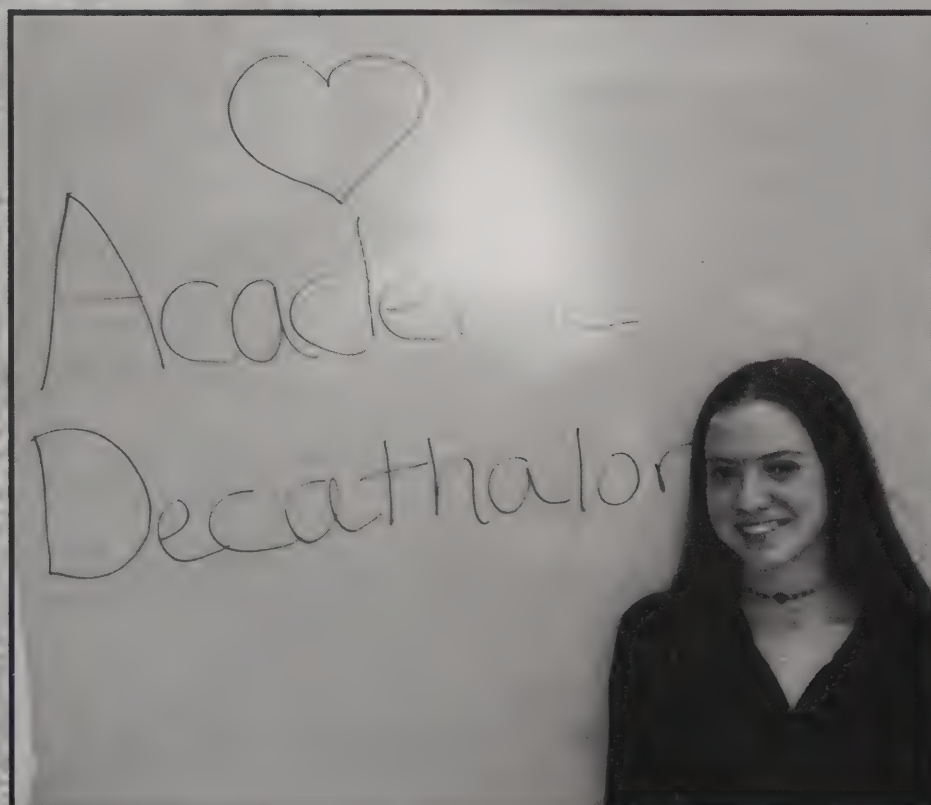

The 2002 AHS Academic Decathlon.

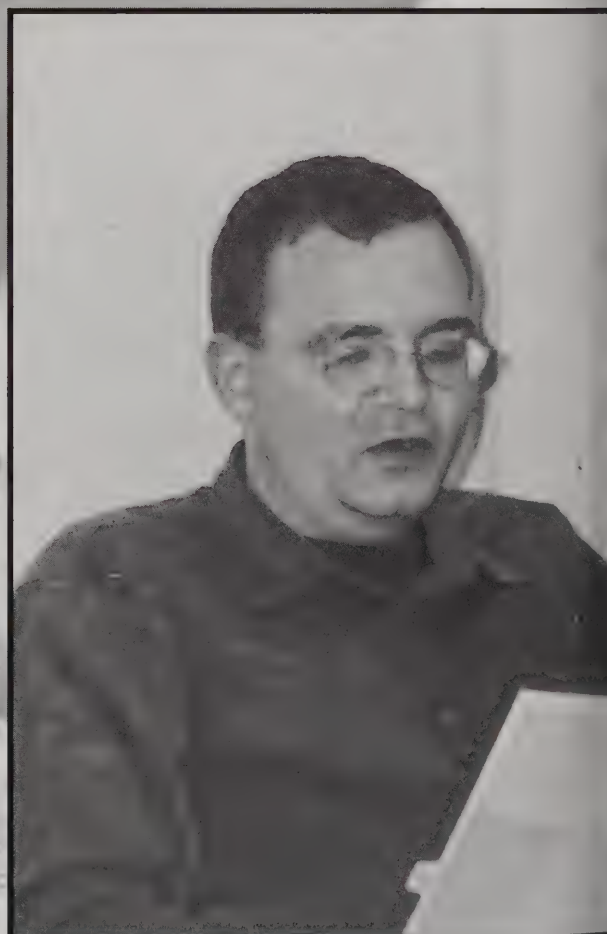

They came, they saw, they conquered. On November 16, 2002 the AHS Academic Decathlon team's hard work and long hours of studying finally paid off. The team competed in the annual meet. This meet involved taking a variety of tests that covered wide subject areas such as Economics, Speech, and Art. Club Advisor Mr. Trahan felt that the club gave "students the opportunity to learn new information, achieve their personal goals, and have fun-all the while eating free food!" Among the senior top scorers were Mike Lalli with three medals, Myung Ro with one medal, and Kevin Grimaldi with three medals. Overall eleven medals were won and Agawam placed third out of the twelve competing teams.

"We had an awesome season. I'm really proud of how far our team came. Good luck next year!" -Mike Lalli

American Field Service

Sra. Bruce and her confidants.

The students of AFS gave kids from other countries the opportunity to experience America on a very personal level. The leaders of the group were co-presidents, Megan Mercadante and Cylyn Williams, along with their advisor, Mrs. Bruce. They worked together with student liaisons Kevin Hsu, Allison Siedlik, Michele Gendron, and Megan Smith, and the other members in order to put together fun activities for the exchange students. This included an international weekend, where exchange students came together for a weekend of fun around town. This year, our two new friends were Camilla Golon from Norway and Katie Meier from Germany. While forming lasting friendships, AFS provided the opportunity to see the country through the eyes of other cultures.

Sign Language Club

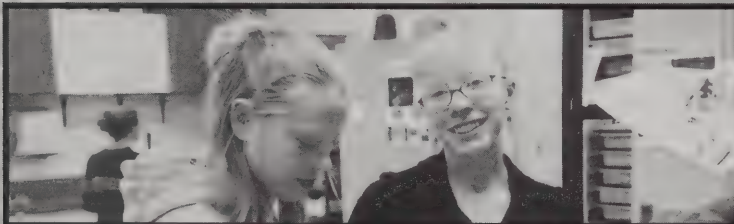

The new Sign Language Club members with advisor Mrs. Ellison

When we think of other languages, sign language usually doesn't come to mind. But maybe with the debut of the Sign Language Club, more students will take up the opportunity to learn a new form of communication. The club can be for those who want to learn how to talk with their friends across the room during class, but more importantly, for those who want to know how to communicate with a unique new language. Members open their minds and fill them with new knowledge every day. Sign language is a universal language that members might find useful in their future. This club helps to set the foundation of interaction using a different kind of message with other members of society.

"I joined the club because I wanted to learn something new and thought it would be a fun experience." - Caitlin Holland

Would you like to paint a portrait of me?

Mrs. Florek started the Art Club this year in order to offer students who couldn't fit art classes into their busy schedules a chance to be creative. The club allowed students to work independently or on group projects under the direction of an art teacher. This was perfect for Catherine Andrews '05, who said "The club gives me a chance to do art, since I wasn't able to fit any art classes into my schedule." Kristen Pfau '05 likes the club because "Mrs. Florek helps us with ideas for projects, but we're allowed to do whatever we want. It's more fun than taking an art class because we can do everything- pottery, painting, watercolors, or drawing." Agawam High's very own Picassos and Monets joined this club this year, hopefully opening their horizons to join other courses like visual arts next year.

As Schools Match Wits

What's the capital of Uzbekistan? What's the common name for the chemical Dichloromethane? Which British monarch reigned from 1558 to 1603? Not only would the students on the As Schools Match Wits Team know these answers, but they'd probably answer them in 2.4 seconds flat. The seniors on the 02-03 TV Team proved that they had wits that were unmatched when they had an outstanding victory in November. This year their captain was Dave Rosenberg. Earning a spot on the TV team takes experience as well as brains.

Career Technology

What happens if you press one?

That ear-to-ear grin can't be all because of a computer?!

A half-day every day AHS would make anyone smile.

Here's an individual with a passion for computer-aided drafting, not photography.

Here we have an individual who can not wait for the bus to get to L.P.V.E.C, he's going now!

Many AHS students have had part time jobs. Students who were involved in Career Technology, also known as "Collab", worked every day. The first half of their day was spent on their education in AH classrooms; the second half was spent earning a growth of knowledge in the working world. Lower Pioneer Valley Education Cooperative, the association responsible for guiding collab students, offered a variety of trades. Students enhanced their knowledge of fields like nursing, automotive technology, fashion, computer aided drafting, merchandising and food production. L.P.V.E.C. provided opportunities to search for inner passions and explore them in a more detailed fashion than the general courses offered at AHS.

Chess Club

The game of chess is frustrating and fun, just ask the members of the Chess Club. After the departure of longtime advisor, Mr. O'Brien, this year's advisor, Mr. Ramah stepped up to the challenge. The club was lead by Grand Master Peter Kingsley, Master Dave Rosenberg, and Steward Nate Krach. Each leader had a total points rating of 2400. All three also competed on the Chess Team, and frequently brought victory to Agawam High. Kingsley acted as first board with Krach and Rosenberg respectively followed as the second and third boards. All club members used careful strategy, wit, and skills to gain success in the challenging and exciting game of chess. This club provided a new way to demonstrate their brilliance.

The computer experts of Agawam High.

It's 2:00 in the morning, and once again you've procrastinated until the last minute, and you have a term paper due tomorrow. Your computer is broken, you have no idea how to fix it. Although the situation seems hopeless, there is a way to prevent it from happening again. Talk to one of the members of Agawam High School's own computer club. These kids are ready and willing to tackle any mechanical problem that may come up. Their skills are an asset to the school and are appreciated by both teachers and students.

Myungsuk plays it up for the camera.

The computer programming team was another group of talented students who met after school to learn more about the ins and outs of computers. The team focused more on the internal and programming aspects of the machine, rather than the mechanical work. As with the computer club, students felt free to consult the programming team with any questions or problems. Members are experienced, ready and willing to help!

Future Teachers Of America

The Future Teachers of America-soon to be seen in classrooms everywhere!

This Club contributed in their annual Blood Drive, Penny War, Teacher Appreciation Day, and the Shadowing Program. Members involved in the Shadowing Program spend a day with a teacher at an elementary school. Andrea Conte led the FTA pack with assistance from Shannon McDyer, Kristen Strole, and Aimee Beaudette. Christin Cilimberg directed the Shadowing Program. Lindsay Carey took responsibility for getting news out to the public and working with local businesses. Their first blood drive, which was coordinated by Megan Mercadante, was thoroughly advertised resulting with a great turnout. Throughout the year, students set up fundraisers in order to provide scholarships to seniors. The club is one of Agawam's largest. Members have a heart for personal growth and for educating little children and peers.

Gay/Straight Alliance

The 2002-2003 Gay/Straight Alliance members.

Mary Jean Daly and Stacy Wright advise the Agawam High School's Gay/Straight Alliance Club. This is a club to appreciate each other's differences and the diversity at AHS. It's safe and all are welcome to attend without judgment or criticism. In the club, members find their individuality and variety to be appreciated. The club meets every two weeks. They will take a trip to Westfield State College to meet with others. There is a week in honor of their pride known as "Diversity Week". Agawam High's Gay/Straight Alliance experiences the opportunity to visit other schools' Gay/Straight Alliance Clubs. This world is made up of so many different personalities. In this club, students explore characteristics from different aspects. It is open for all to attend, gay or straight, hence its name. Kids opened their eyes and tried to understand the world from another's point of view by joining this club.

Intergenerational Poetry Group

Intergenerational Poetry Groupers sat back, relaxed, and enjoyed themselves every other Wednesday this year. The plus - there are no pressures of deadlines. Work is confidential and not published. However, some students chose to submit their work to the Unicorn, which Mrs. Hines was the advisor of, as well. The group was small and the friendships were great. Mrs. Hines welcomed all to join. Members shared their talent and listened to their peers. This club provided great opportunity to enhance poetry knowledge. Students surprised themselves with what they were capable of.

While just the thought of reading gives some students the chills, others consider it an amusing way to spend free time. These students can be found in the Intergenerational Book Club. Led by the advisor, Mrs. Poulin, the group met once a month to discuss the book they read and choose one for the next time. This year they read *The Odd Sea* by Frederick Reiken. The Intergenerational Book Club was not limited to only students. The group demonstrated that reading can be fun and interesting.

Math Club

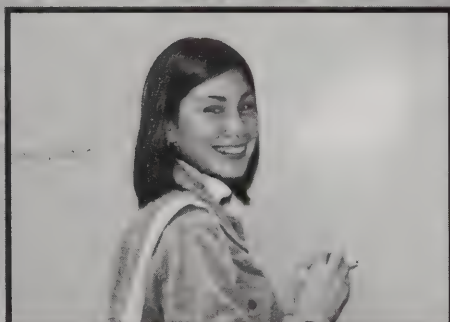

The 2002-2003 AHS Math Club.

If you're new to AHS, and are looking to join a club, Math Club is the one! With so many members, you are certain to make new friends. You don't have to be a math wizard to sign up. All you need is free time and the desire to help. As a member, each student must perform at least ten hours of community service during the school year. Math Club members organized the Math Team meets, bake goods, and volunteered their time to introduce competing schools' Math Team members to AHS. And, of course, they cheered on the Brownies' Math Team. This year members brought in coats for News 40's "Coats for Kids" campaign. Everything done in this club is for a good cause. The 2002-2003 Math Club president was Nate Krach. The Vice President was Tara Witte, the Secretary was Katie Baum, and the treasurer was Alex Alvanos.

Math Team

Do you enjoy math? The few brave individuals at Agawam High that dare to answer with an enthusiastic "yes!" have found a place where students are intent to meet after school and help each other along with math problems. After being tested on "multiple" kinds of math, from fairly simple areas like arithmetic to mind-bending concepts such as trigonometry, members are able to show off their hard-earned skills at Math Meets. At Math Meets they competed and compared their math knowledge with those from other schools. Advisor Mr. Trahan was very proud of all members. He commented, "the team has traditionally done very well, always placing in the top third of the schools competing. They also get milk and cookies!" The math team performed well yet again in 2002-2003.

Model Congress

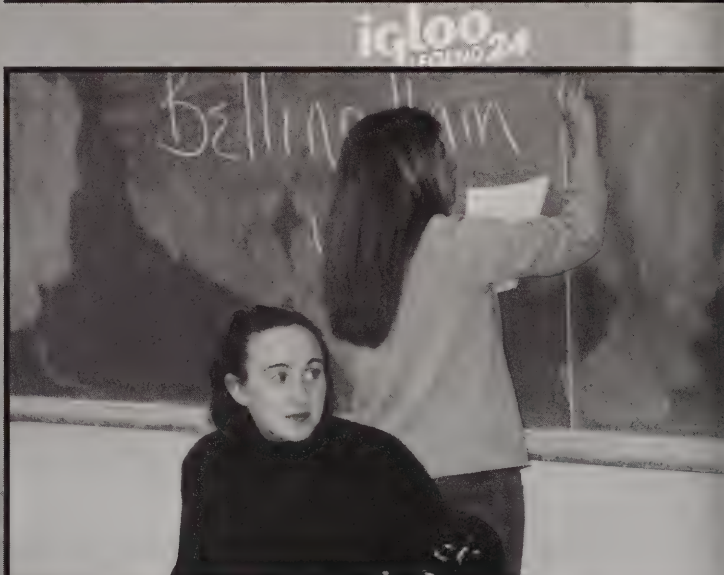

This club was perfect for students who were interested in holding an office and making decisions that affect the entire country. The students involved in Model Congress practiced for a career in the government while having fun during their meetings through a variety of activities. Some favorites were debating issues and practicing to write legislation. They were able to further their understanding of how the government works by participating in the Annual Model Congress Conference at AIC. Members prepared their own bills, which they then read to members from other schools. The bills were then debated, and it was decided if it was "passed into law." This "models" how the United States Congress works. Members learned new information while gaining experience with government at the same time. They are sure to be in a future presidential debate!

The *Mirror* gives its readers a complete understanding of what goes on in and out of the AHS hallways. Megan Mercadante led the 2002-2003 staff, Megan Gloster followed as Associate Editor. Two Megs are better than one! With Al Santaniello as News Editor, Vicky Taylor as Sports Editor, Katie Baum as Entertainment Editor, Joel Howe as Feature Editor, and Kerri Merriam as Photography Editor each edition of the *Mirror* was guaranteed to be a perfect "Reflection of the Times". Mrs. Abel was quite the efficient advisor. After taking numerous workshops, she has helped this year's staff to be the first staff to ever make their own layouts. The *Mirror* was up-to-date with Al's Nose-for-News's, Megan's thoughtful editorials, Katie's "KT's Korner", Vicky's "Time Out With Taylor", Joel's fab features and Kerri's snazzy shots. Last year's paper won "Best Newspaper in the North East". It can be expected that additional awards will be earned at the annual AIC and HCC Scholastic Press Forums for years to come.

NHS is a select group of seniors chosen for their exceptional academic performance and extracurricular achievements. Exemplifying dependability, leadership, and citizenship, NHS members do a lot for the town of Agawam, and in return earn free parking passes (besides the satisfactory feeling of serving their community.) NHS students work on community service projects, charity fundraisers, tutoring jobs, and also hosted the popular Winter Olympics. On top of that, they had fun doing it all. This year NHS was led by President Jodie Pfau, Vice President Dave Rosenberg, Secretary Chris Martin, Treasurer Jenn Sharp and Sergeant at Arms Chad Farrington.

Student Government

The 2002-2003 Student Government

These students, led by President Julie Pontz and Vice President Jeane Davignon with the help of Advisor Mrs. Mouneimneh, talked to the administration and School Committee to help make life better at AHS. Treasurer Jeff Trauschke and Secretary Laura Zerra helped to keep the group organized and functioning. Jessica Tully was the student representative to the School Committee. This year's talent show, a first for Student Government, was a huge success. In conjunction with Peer Leadership, the raffle of two stereo systems funded the club's various projects.

Chris Martin worked as treasurer and Chad Farrington took charge as secretary. Representing the class of 2003 were Allison Siedlik and Andrea Conte. Representing the class of 2004 were Tom Gorman and Brendon Cayer. Representing the class of 2005 were Emily Siedlik and Jess Pokora. Lastly, Jessica Morris and Dan Cirillo represented the class of 2006. They fundraised by selling candy and bumper stickers. The money earned was used for AHS senior scholarships. The club met every other week in Mr. Bagetta's room. Vicky Taylor said, "This year we've been more proactive in the school."

Peer Leadership

The members of Peer Leadership were dedicated to educating others about the harmful effects of tobacco, alcohol and other drugs. Each year the group plans the infamous mock accident and Grim Reaper Day. Students are greatly impacted on this day. The "Reaper" walked around the hallways ringing a bell and took innocent students out of class to return "dead". This year's tri-presidents were Suzanne Dudley, Amanda Rozanski, and Tonya Barufaldi. Peer Leadership also worked with Student Government to raffle off two JVC Stereo systems. Members created informative displays on Great American Smoke out Day. Members performed skits for students at the Junior High and Middle School. They also rose an astonishing \$2400 through the Costume Day collection.

Peer Tutoring

Ms. Warner and Ms. Bianca created a great plan six or seven years ago. Student-to-Student Peer Tutoring program was a free tutorial program run by and for students at Agawam High School. The mission of this program was to provide academic support for all students in a supportive and comfortable environment. No student was denied academic support. Students could be tutored from general to AP levels. Participants were paired with volunteers appropriate to their tutoring needs. The 2002-2003 year held 17 active tutor volunteers. Advisor Warner said, "I saw a need for a place where students could go to get extra help without feeling intimidated." She proved that to be true with this program.

"I love helping people." -Laura Zerra

Peer Mediation

Mr. Figy and his Peer Mediators

"It's nice to see people smile." -Frank Bond

If there was a fight, or there was one predicted, Peer Mediation stepped in. Members worked hard to solve the conflicts between AHS students in a peaceful manner. Peer Mediators helped students come to agreements with one another through private meetings. They assisted students- not by telling people what to do, or by judging who's right and who's wrong - but by guiding them to a resolution. Mediators went through training in the eighth grade on how to conduct mediations and learned to be prepared for any situation. The key about Peer Mediation was its confidentiality. Students felt more comfortable explaining problems with their peers, and it always worked.

Shakespeare Society

Presenting . . . the class of 2003's Shakespeare Society . . . in costume!

Yes indeed, ladies and gentlemen, AHS has a club that honors William Shakespeare. "What's in a name?" Why, the name says it all - it's a society completely devoted to the great works of William Shakespeare. Members of the Shakespeare Society were mostly seniors in AP English, who simply adored reading and acting out Shakespeare's plays and poetry. The advisors this year are Ms. Moriarty, Mrs. Abel and returning champion Mrs. Mouneimneh. "Something is rotten in the state of Denmark," but nothing was rotten in Mrs. Mouneimneh's room after school when the Shakespeareans prepared for Shakespeare Week in late April.

Philosophy Club

Words that relate to the term "philosophy" are attitude, viewpoint, idea, thinking, values and beliefs. All of this terminology is verified in Mr. Bianca's educational Philosophy Club. Members were not intimidated due to Mr. Bianca's simplified procedures. There is a reason for everything that happens in life. Members investigated nature through causes or principles of reality. Their conclusions were based on logical reasoning. The Club discussed common "cause and effect" issues after school. They used examples such as movie scenes for topic conversation.

Robotics Team

The 2002-2003 Robotics Team.

This was the second year for the AHS Robotics Team. The team met twice a week until January. From January 4th on, the group met every day. This was because they were busily building and preparing to ship their robot. The pressure was on as they only had six weeks to make the best machine. Students were limited to using only the parts given to them in two boxes. The team competed in Hartford and at Rutgers University, New Jersey. They took home trophies like the previous year, and years to come.

Quill And Scroll

Tara can hardly wait for the recognition ceremony!

The 2003 Quill and Scroll Officers.

Another meeting? BLAH!

Joe, Katie and Heather are caught sneaking in late to Mrs. Abel's room.

Quill and Scroll was organized April 10, 1926, by a group of high school advisors for the purpose of encouraging and recognizing individual student achievement in journalism and scholastic publication. Mr. David Pulaski and Mr. Lawrence O'Brien introduced Quill and Scroll to Agawam High School. Each member had to be involved in the *Sachem*, *Mirror*, or *Unicorn* and placed in the top third of the class of 2003. Participants of Quill and Scroll received a pin and cord at graduation. Advisors, Mrs. Abel and Mrs. Kolodziej, helped to guide President, Heather Cox; Vice President, Joel Howe; Secretary, Cori Verteramo and Treasurer, Megan Mercadante, along their way. Mrs. Abel commented, "It's really nice because I get to see some of the same kids I've had in another capacity."

The 2002-2003 S.A.V.E. team

This year AHS "Students Against Violating the Environment" helped to keep mother nature beautiful and healthy. Kevin Fleming and Laura Zerra were Co-Presidents, Adam Garvey was Secretary, and Olivia Aimula held position as Treasurer. For projects, Laura and Adam contributed in the river cleanup at Westfield River, and money earned from the gummy worm fundraisers was put towards adopting animals from Forest Park Zoo. Some of the animals they adopted this year include a Kinkajou, Capuchin Monkey, Golden Eagle, Capybara and South American Cougar. This year they bought and planted trees outside the science wing. Thank you SAVE for keeping our plants strong, our skies clear, and our neighborhoods clean!

Sour worms anyone?!

Uniqorn

The 2002-2003 *Uniqorn* staff.

2002-2003 was a distinct year from the past for the AHS magazine, the *Uniqorn*. After Mr. O'Brien's retirement, Mrs. Hines took position as advisor with the efficient printing of Mr. Korb. The magazine's 20th anniversary was recognized in its winter issue. It was creatively put together with each cover from the past 20 *Uniqorns* on the cover. The spring issue included a section dedicated for seniors. Both publications included various arts, poetry, short stories and designs. Mike Lalli and Katie Baum worked productively together as Co-Editors. Their assistance was never-ending with Poetry Ed. Andrea Greaney, Short Story Ed. Pat Walsh, Graphics Design Ed. Nate Krach, and Art Ed. Liz Couture.

Joel is pondering about his poetry.

"Does this poetry deserve four checks?"

Sachem 2003

Don't like this year's yearbook? Make sure you don't say that around any of this year's Sachem staff members or you'll be sure to regret it. You wouldn't believe the tremendous amount of work that went into this precious keepsake. "What's it take to make a book this great?" you might ask yourself. Well, the first thing our staff learned was teamwork (Layout and Literary! Are you with your partners?). Along with that were hard-work, dedication, and most importantly, patience. With **Christine Kolodziej** at the helm for her second year, it was sure to be a success. She seems so sweet and innocent, that is until you get on her bad side. Sachem staffers will be the first to admit that there's another side of the Kolodz that's rarely seen. But we would have been lost if she hadn't helped us follow the footprints in the sand.

Editor-in-Chief, **Mike Lalli**, along with Associate Editors, **Megan Mercadante** and **Jenn Sharpe**, wowed the Sachem staff with their never-ending patience, consistency, availability, and dedication. As the rest of the staff's work began when they stepped foot into room 48 in September, these three began planning and designing way back in May of 2002. Does 1:00 AM sound like an early bed time to you? Well, it was for these three. With the overwhelming amount of work and pressure laid upon them, they were lucky if they got more than six hours of sleep in one night. We all know you need to make sacrifices while on the Sachem staff, just ask "Peg Meg." She lost a leg in the safari at Woodcock after running through the "field of dreams." (Hey Mike! Where's your sandal?) Through trips like this and others to Belchertown, Jams Beach, WNEC (whipped cream, anyone?), and the Steinmetz studio, they formed a bond that most other staffs never experienced. Is that guy wearing a Speedo? No, Mike, no one said your name. How is Meg still sane? Remember girls, Mike's still bitter about not making that stop on our way to Jams!

"Everybody get in your seats!" Class started off the same everyday, as our Secretary, **Kelly Curry**, took attendance. Running Mrs. Kolodziej's errands was what she was known for. "Quick! We need three copies of the copy copied, now!" Along with Xeroxing just about everything three times, Kelly dealt with all the paper work. Her sarcastic attitude kept everyone laughing since the conference back in May. She even had a close call with the police. Officer Kolodziej almost took away her driver's license after the WNEC conference.

How early do you like to get to school at? How's 6:30 sound? While most AHS students were still asleep, Business staffers, **Stacy Boisjolie** and **Amanda Rosanski** were already setting up for yearbook sales. And thank goodness they did, after all, we wouldn't have been able to afford to make this book without the sales. If you bought a book this year, you can rest assure it was them that told you to fill your checks out to "AHS Yearbook." (Remember to put their names on the receipt!) Along with handling yearbook sales, they took charge of organizing "Senior Salute" and "Friends' Pages." In addition to all that, there were many afternoons where Stacy's craziness kept Jenn, Meg, and Mike sane (Beep! Beep! I'm a duck! Quack!)

"BLING BLING!" It's the * Cash Money Squad *. Business wasn't the only staff that raised money for this book. The Advertising Staff helped out just a bit Led by **Heather Cox**, the Ads Staff drove around everyday to just about every business in Western Mass. and visited every classroom trying to sell ad space in our yearbook. **Becky Carey**, **Lex Chretien**, **Joe Clark**, **Taryn Lappone**, and **Al Santaniello** were always the first to "ask" for Krazy K. Dawg's keys (it's the one with the "3" on it!). The least stressed staff always had the pleasure of leaving school seventh period to joy-ride around Agawam (just kidding Ads, we know you were good!) Remember to let Kolodz know where you're going! After filling out hundred's of "Thank You" cards and keeping up with bills, the Ads staff is surely to be rewarded.

"Where's the Master Disk?!" was the infamous call of Literary Editor, **Katie Baum** faced with another quick deadline and last minute problem. Not to worry . . . **Becky Berta**, **Kelly Doyle**, and **Jodie Pfau** were always there to help. It'd be odd to have a yearbook without any words in it. Well, that's what it would have been like without this staff. The "Write Stuff" could often be found in their second home, the AHS Library. Ask any of these girls what their favorite task this year was and they're sure to say (with heavy sarcasm) "Counting Ballot Box!" Most definitely the most tedious job done, the Literary girls were ready to go insane after finishing with it. From copy lettering to tables and quote chasing to write-ups, these girls did it all.

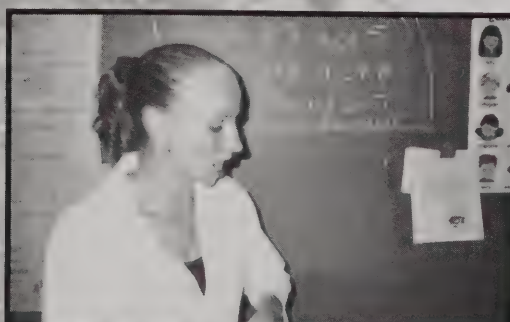

AHS star-athletes **Vicky Taylor** and **Chris Martin** teamed up for the 2003 Sports Staff. At the beginning of the year they worked with the rest of the Literary Staff on those "oh-so-fun" ballot box tallies, before branching off and working on Sports write-ups. Did your team fill out a Varsity Will? If you did, it probably went back to Chris or Vicky. Those pink slips of paper caused more trouble than you could ever imagine. If not in the yearbook room, these two could always be found in the library or in Mr. Conte's office trying to get varsity team records. Vicky notes on their performance this year, "we've got brains and brawns!"

"Okay . . . ready? . . . 1 . . . 2 . . . (click)" The famous last words of any one of the Sachem photographers just before they take your picture. Photography = responsibility and seriousness, just ask **Kevin Baptiste**, **Aimee Beaudette**, **Dan Drawniak**, or their Editor, **Kerri Merriam**. The digital camera graciously donated by Steinmetz Photography helped out this year's Photography Staff; but it would have been useless without Dan's vast knowledge of computer technology. Just two words are sure to make them shudder . . . underclassmen pictures. These "model" students were the ones you saw at all your games and the AHS events with camera in hand. Even when tempted not to, these photographers kept smiles on their faces while dealing with all of AHS. Remember, not everyone is so photogenic! Is everyone's flash on?

What did you get for the holidays? White out? Black pens? That's what members of the Layout Staff received in their stockings, and no, they weren't replacements for coal, that's what they asked for! Ask Layout Editor **Tara Witte** about cropping, picas, or red-china markers and she'll probably throw a cropper at you. Staffers, **Suzanne Dudley**, **Jaimi Liard**, **Daveen Macsata**, **Ashley Marek**, and **Julie Pontz** would most likely do the same. Frustrate any of these girls and you'll experience "Death by Cropper." Always on the look-out for rulers, stickers, erasers, and black pens (as well as Smarties!), they were the graphic designers of the 2003 Sachem Staff. How do you design a page without pictures? Ask them, after this year, they're pros. Hey Layout! Is it reverse or white copy box?

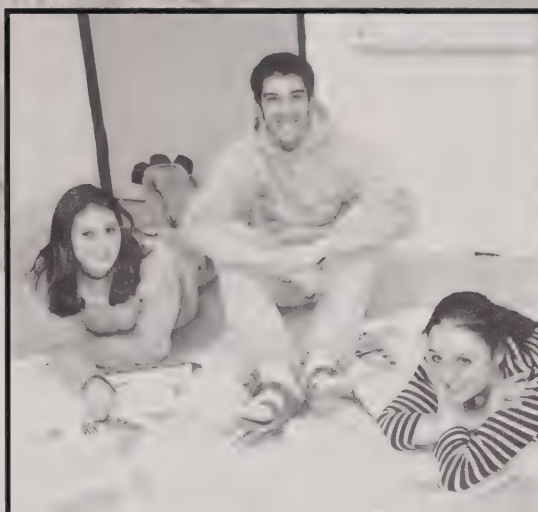

Being a part of the Sachem Staff has been some of the most fun we have experienced during our high school years. It's impossible to describe the camaraderie between staff members unless you've experienced it yourself. In the beginning of this adventure we believed it was about creating a project. After nearly a year of working together, we've learned it was about so much more. We could go for hours explaining all our inside jokes; Kolodziej's amazing ability to over-analyze everything, NYB and GTFO, yearbook induced ADD, Big K's annoying freshmen, the "Saved by the Bell" theme, breaking planks on a dock, proofing fun, the broken cabinets, and everything else that helped bring our staff together. If you're considering joining the future Sachem Staffs we highly encourage it. You won't regret it!

P.S. As Ads would say, "This book . . . 'Like Whoa!'"

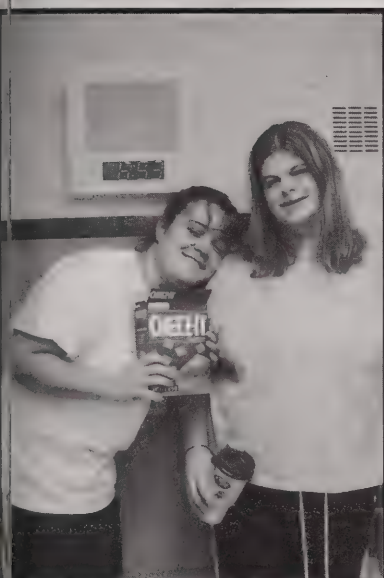

Literary wrote our captain's log.

Our Captains edited their crew's work to perfection.

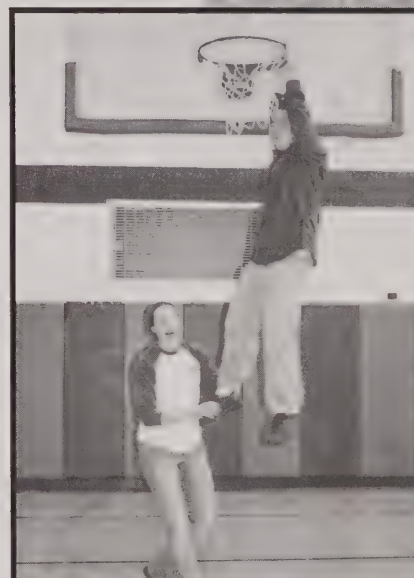

Layout pointed our ship in the right direction.

Business helped keep our motor running.

The Sachem staff gone overboard.

Sports kept our crew strong.

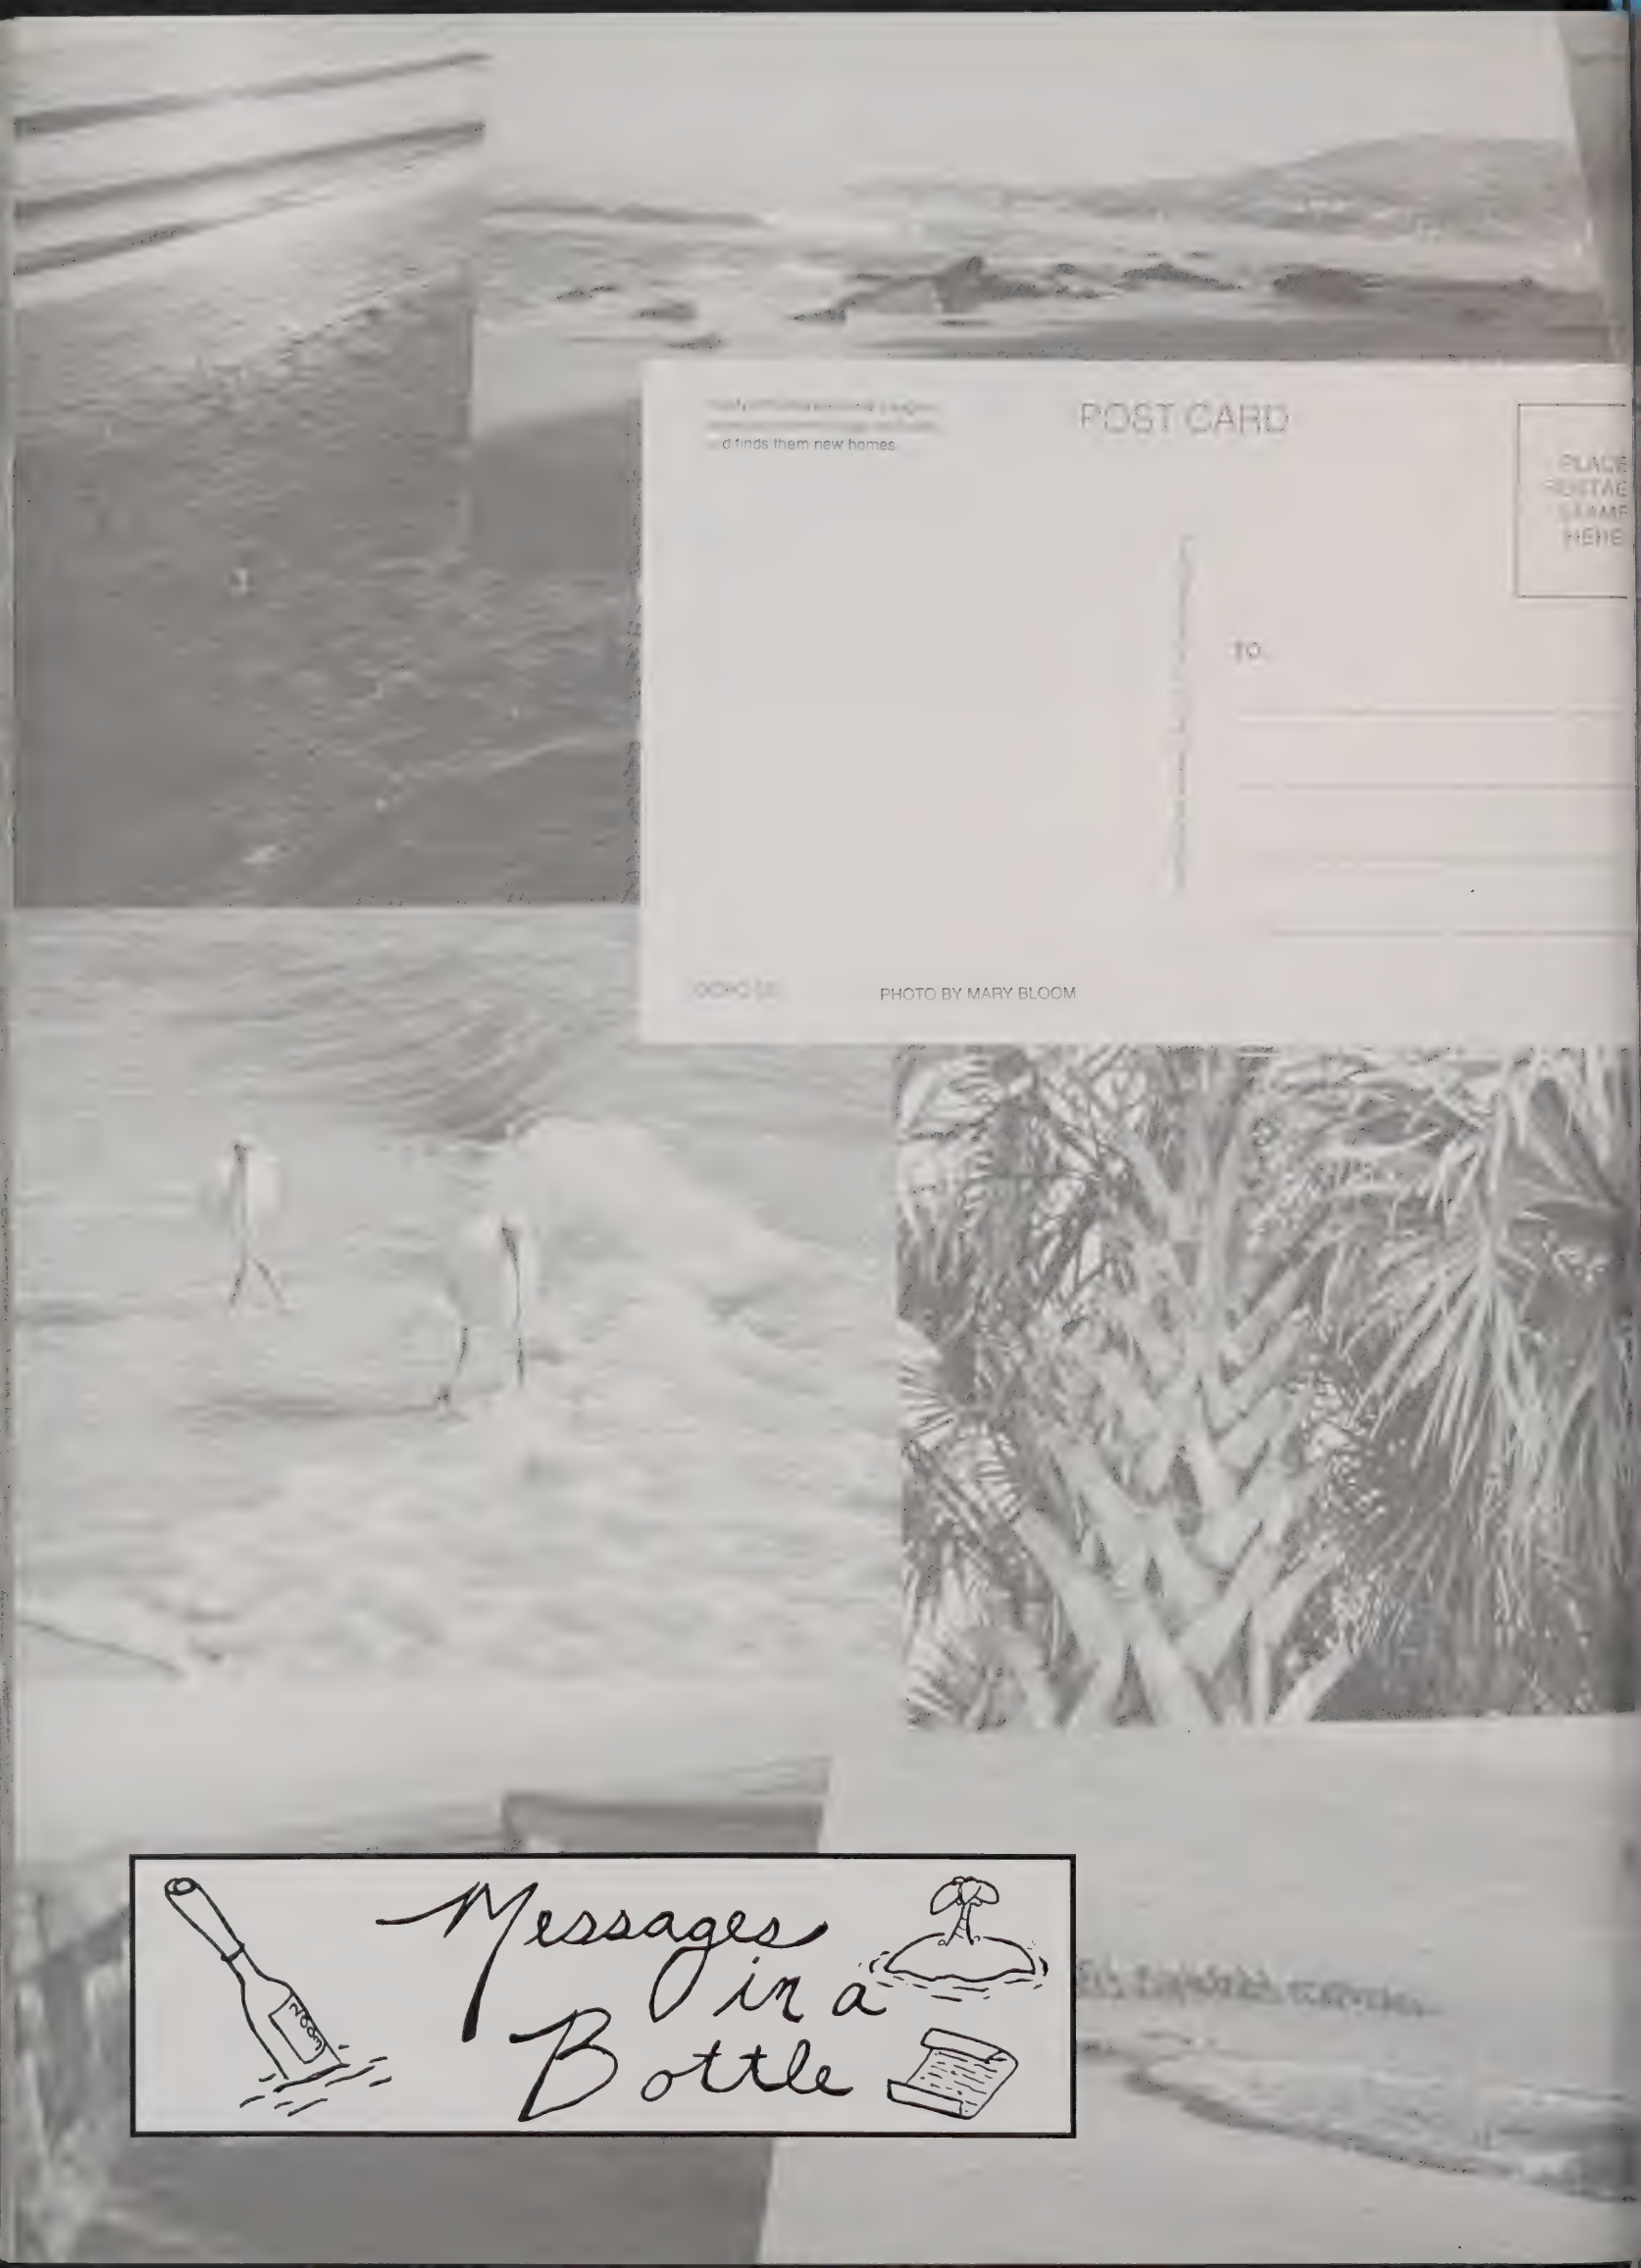

Photography captured beautiful scenery.

Our secretary kept the ship on the ball.

Ads discovered our sunken treasure.

Most of the time, the message is found
and finds them new homes

Paul Lagasse

Paul;

Don't ever forget that you are unique.

You have been blessed with unique talents and abilities.

Find your strengths and use them in a positive way.

Don't be content with average because average is just as close to the bottom as it is to the top.

Just as important as the lessons that you've learned in the classroom are the ways that you've grown as a person:

The friendships you have made

**The challenges and obstacles you overcame
with energy and enthusiasm**

The deeper understanding you have acquired of yourself

Don't listen to those who ridicule the good choices you make.

Travel the road that you have chosen and don't look back with regret.

Take chances and work hard to make your dreams happen.

**Something valuable will be learned from everything you do so
don't be afraid to make mistakes.**

Make friends with those who respect you for yourself.

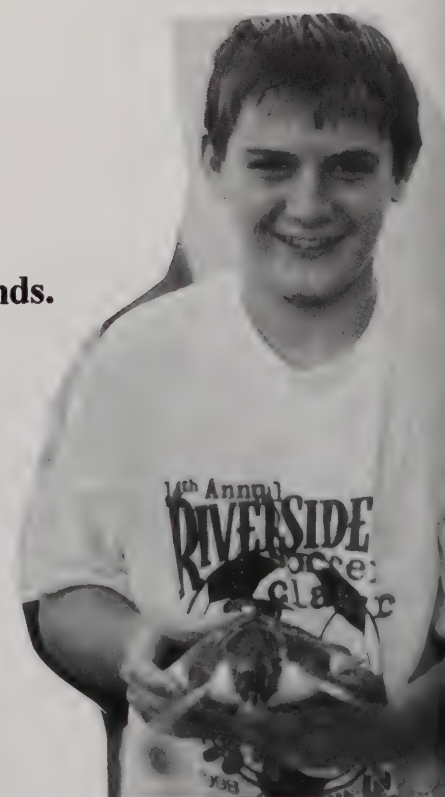

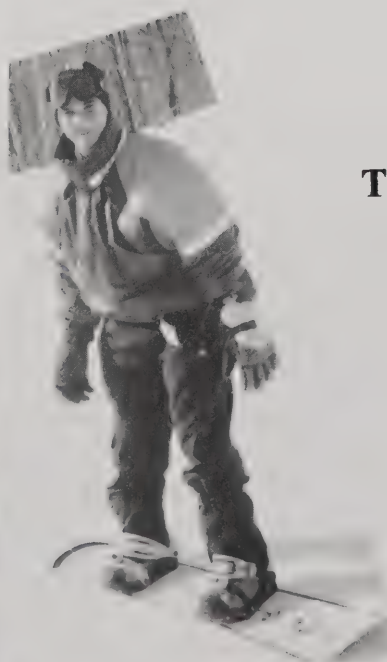

**As you celebrate this milestone
in your life and look towards
the future, never forget what
has brought you this far.**

The love and support of your family and friends.

Your own sacrifice and hard work.

**And don't ever forget that you are special
and
very much loved.**

For My Daughter:
So many times I looked at you
And saw me standing there.
I kind of smiled to myself . . .
Which really wasn't fair.
To keep from you this feeling
How proud I am of you -
May all your dreams become fulfilled -
And mine once did with you.

Mike Lalli

Mike,

I don't know what I'm going to do without you here in the summer and winter . . . who is going to push me in the pool? Spray me with a hose with my clothes on? Give me brain-freeze by shoving my head into the snow? And do all those other lovely things you always do to me? But I'm happy you did all that stuff to me because if it weren't for you, I wouldn't be the person I am today! haha! Good luck and never give up! Love, Meggie

Mike,

So many years living together and now you're going to move away and start your own life, what will I do? We have always been close and over the past few years we've become closer than ever. We've shared so many things that we've promised not to tell anyone. We've always competed with sports, which I always seemed to be better at than you, but you have always beaten me with grades and schoolwork. I know you will make it far - GOOD LUCK, and never give up!

Love, Jessica

Michael,

The time has come for you to move ahead. We know you will succeed with all your hopes and dreams. As a little boy you always had such determination to get what you wanted. You never gave up. At times those moments were much to handle. We know that the drive and determination you were born with will carry on in your future and you will prove to be the best that you can be in whatever you do. It was always said that you were the "Apple of Grandma's Eye," but Michael you are and always be the Bright and Shining Star in our Eyes. We are so very proud of you! Continue as you are in your college years and you shall achieve your goal. We believe in you and know that you will have all that you desire. We love you so very much!!

Mom and Dad

Michael,

When I graduated from High School, you were only twelve years old. You were still very much a child. I called you "goober" and "little person." I left for college five years ago. Every time I visited, I found that you were a little bit more mature than the last time. Finally, I came back to Agawam one more time and my little brother was gone. A much taller, strong brother was in his place. I no longer think of you as a little kid. You are a mature young man. You have more ability, intelligence, and dedication than I ever had at your age. I am very, very proud to be your brother. Good luck and best wishes for all the success I know you will find at college and beyond.

Love, Paul

Kelly Curry

What a blessing to see you grow in every way throughout the years. We love you and are so proud of you. Congratulations!

"How do we let you go"

As you were growing up
We had to learn to let you go

As you started to walk we
had to let your hand go

There was a time we
Showed you how to ride your bike and still
we had to learn to let you go

The first day of school we
Learn to let you go on your own.

Days went by and you
Started to do your homework on your own and
We knew we had to let you go

Now years and days have gone by
Now comes a time when your
Going to be on your own

Still as parents we don't
know how to let you go

Sachem Snips

The Sachem Staff would like to give credit to the many people who contributed to and aided in the making of this book. At the top of the list is Debra Cloutier, for her dazzling artistic creativity on the cover. Another big thanks goes to Steinmentz Photography and Kinney one-hour photo for taking care of all our picture needs! The crew at Steinmetz-Russ, Ron, Walt and staff- were even generous enough to give the staff a computer and digital camera. Steinmentz greatly contributed to the book, however, it would not have been possible to produce without help from: Matt Fenn, Jostens Printing and Publishing, and Kristy Cash. They advised, built, and made sure all the books were shipped to the students in time for summer. Of course, our book wouldn't be complete without the theme, which is why we want to thank Jams Beach for letting our Sachem staff pose on their territory. Among the AHS faculty and staff we want to thank are: Mrs. Poulin, (for letting us cut through her class to be on time!) the Librarians, Mrs. Mokryzcki, Mrs. Montagna, and Mrs. Kelley, for welcoming the literary staff into their second home, and Mr. Ramah and McCaffrey for leaving their computer labs accessible. If we ever needed a quiet room to review proofs or discuss ideas Mrs. Mounemneh was more than willing to lend her room and unbiased opinions! Mrs. Scheve and Mrs. Truelove helped to keep our staff publicized and current with announcements, while Fred deserved credit for supplying all the class lists. Mrs. Tirone and the Guidance Department allowed us to use the scheduling book and various resources as guides. Mr. Conte and the coaching staff are greatly appreciated for informing our sports staff of team schedules, qualifications, and records. Lastly, we would like to thank all the teachers for their patience as we knocked on doors and pulled students out of class to fill in those quote boxes. Not only did the staff members contribute, we also had several generous students who were willing to help out. Seniors Ben Sunny, Laura Zerra, and Nina Murray made the entire Sachem staff much-needed identification cards for running errands during class. A huge thanks goes to both, the class of 2003, and their parents; all of your input with candids, friends' pages, and baby pictures helped keep this book rolling in variety. Everyone from the Sachem staff would like to thank you, Mrs. Kolodziej, for your help in creating and organizing a strong crew. Your leadership and example were exceptional. From Agawam High School's hallways to whatever path lies ahead, we have this book to open. As it unfolds, so will the ray of sunshine that enables us to reflect on our time here.

General Abrams Library

Mrs. Tully, do I have to do this now?

Mrs. Montagna organized the books.

Agawam High School's library has the appearance and activity that teaches students to think and initiate confidence. Familiar faces in the AHS library are Librarian, Mrs. Elaine Mokrzycki, and Library Secretaries, Mrs. Linda Montagna and Mrs. Cheryl Kelley. They open the doors at 7 every weekday morning and close them at 3. Together these women organized 17,000 books, 55 computers, printers, and audio-visual equipment among several other new technologies. The library is equipped with advanced capabilities like the fully networked and cabled capacity, data projector and career/ business law center. The 2001 massive renovation project to expand and redesign the high school library has been a success. All have enjoyed it. Mrs. Mokrzycki said, "It's thriving because of the students and teachers."

Katie Baum and Jodie Pfau used the library's computers on a daily basis.

Dan Drewniak enjoyed his reading time at the library.

Career Center

Lane looks on as Mrs. Mackler wows him with her computer knowledge.

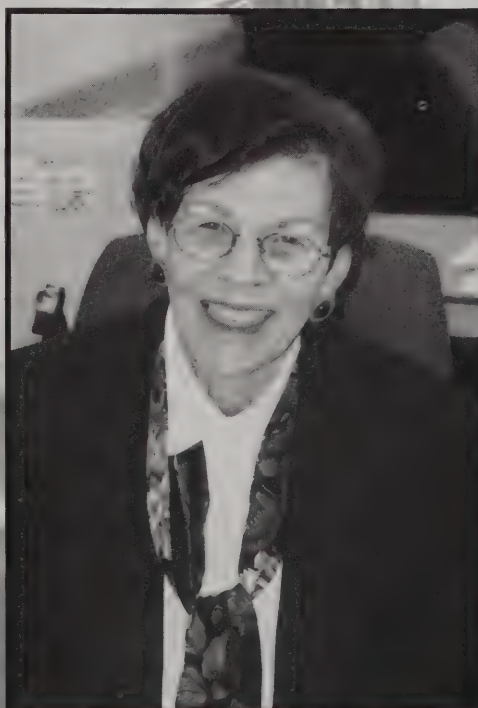

Under the direction of Mrs. Mackler and Mrs. Mazza, students in need of assistance in jobs, internships, and much more can go the Career Center. At the center, students use software and find information about scholarships, colleges, and careers. Also, internships can be arranged to gain academic credit, work knowledge, and the exploration of careers. This experience prepares students for real jobs-the applications, techniques, profiles, etc. Mrs. Mackler had this to say about the Career Center, "This place connects the students between the workplace and the school. It is a great experience and opportunity and I really enjoy the interaction with the kids." Maybe the Career Center is a place for you to explore your options.

Mrs. Mazza is here to help anyone.

These two are looking for any open internship.

Now there's a winning smile!

They're practicing their smiles for a new job interview.

Weight Room

"I just look at the weights and get bigger."

The weight room has become a place to get in shape, meet new friends, and to promote a healthy lifestyle. New and improved from last year, thanks to the efforts of booster clubs, the school, and the fundraising of student-athletes, the latest and greatest machines have been installed for use. Coach Benjamin, a big part of the weight facility had this to say, "This place is for student-athletes, to help anyone looking to get in shape and feel good, and I've noticed that it has grown in popularity." Hopefully this gym of sorts will have a positive impact on all the Brownie teams.

You can do it!

Weller is one muscular dude.

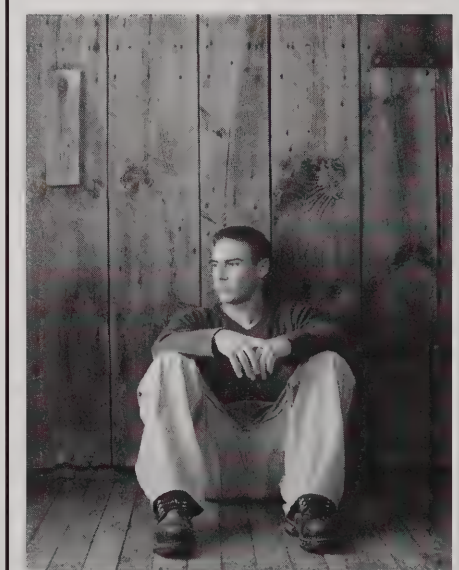

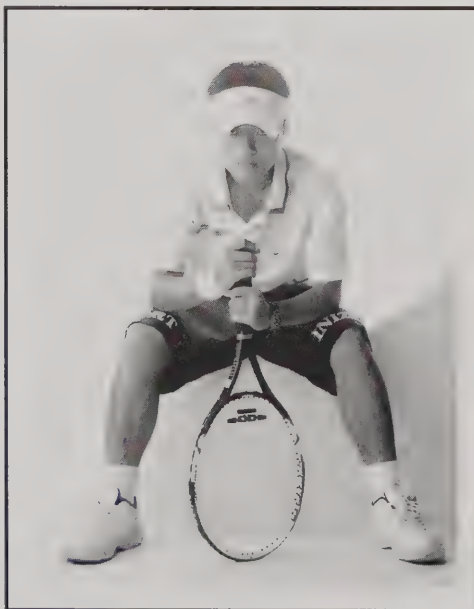

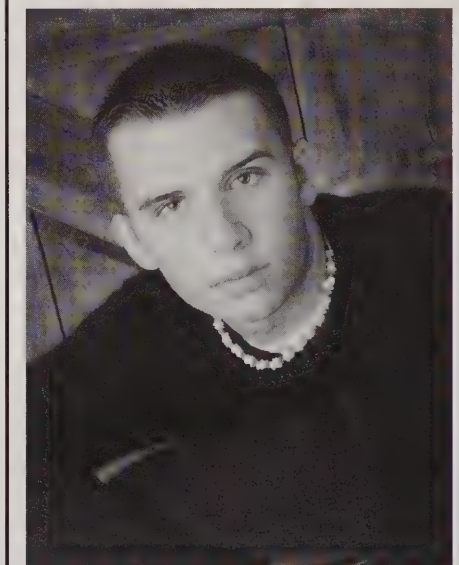

"Which way is the beach?"

John impresses all with his brute strength.

Experience it.....
